Gobel,2012-03-14 I m about to lose my wife and I don t want to lose my son too That depressing thought kept racing through my mind all day long as my five year old boy Frankie and I were enjoying our first day ever at an amusement park in 1994 My marriage was shot and beyond repair and I now faced many a parent s dread what effect would the divorce have on my son and how will I maintain any semblance of a normal rapport with him The answer miraculously was only hours away Right before exiting the immense park for the evening my rambunctious boy somehow lured me onto the thrill arena s big roller coaster for a ride That solitary coaster journey hooked us up for life to the joys of gallivanting upon these flying machines and for the next fifteen summers that s basically all we did We ultimately shared over 300 days together in amusement parks as we traveled 40 000 miles by car plane and sleeper car train to every thrill park in the country that housed anything close to resembling a roller coaster The divorce came soon enough and inflicted its normal dose of hardship and despair But it proved to be no match for the wonderful memories that accompanied all of our trips and the steadfast bond that grew between us merely in pursuit of our beloved joyrides Flying With Frankie is our story FLYINGWITHFRANKIE.COM USA, Chicago, Detroit, and Great Lakes Country ,1980 **Illinois, Iowa, Missouri and Wisconsin** Fodor's Travel Publications, Inc,2001 Provides information on accommodations restaurants attractions outdoor activities and driving and walking tours in Illinois Iowa Missouri and Wisconsin *Summer Theatre Directory* ,2004 *The AAA Guide to North America's Theme Parks* American Automobile Association,1992 Lists and describes major amusement parks located in North America discussing transportation admission charges ride waits souvenirs parking and special facilities Don't Make Me Pull Over! narrative that perfectly captures the love hate relationship many have with road trips Publishers Weekly Don t Make Me Pull Over reveals how the family road trip came to be how its evolution mirrored the country s and why those magical journeys that once brought families together for better and worse have largely disappeared **The Guinness Book of Records, 1996** Norris McWhirter,1996 Updates world and American records and reports new categories established during the year Kiplinger's Personal Finance ,1977-06 The most trustworthy source of information available today on savings and investments taxes money management home ownership and many other personal finance topics Press Summary - Illinois Information Service Illinois Information Service,2001-07-17
