Grenada To The Virgin Islands 2nd Ed Imray Cruising Guide:

Where the Magic Happens Caspar Craven, 2018-05-17 In June 2009 Caspar and Nichola created a plan to sail around the world with their young children Most people thought they were crazy But over the past seven years they've embraced every moment of this momentous chapter of their lives Five years of planning the vision the values the practicalities the realities the excitement the highs the lows and the seemingly adventure stopping obstacles led to two wonderful years of living their dream the magical and the scary enjoying life and learning as a family This is Caspar's story It's a story of a fabulous sailing adventure but it's also so much more than that it's an inspirational tale for all those wishing they could do the same it's a practical guide to show you just how you can make it happen it's a motivational story of leadership and teamwork within a family and it's a funny heart warming tale of slightly unconventional family life The fascinating narrative of Caspar's story is accompanied by useful text features such as tip boxes sidebars and chapter summaries so that the reader can easily

extrapolate the necessary nuggets about how they can make the dream a reality **Dream Cruising Destinations 2nd edition** Vanessa Bird, 2025-03-13 A collection of the best places to sail around the world for planners and dreamers If you could cruise anywhere in the world where would you choose Would you head for the cooler climes of Northern Europe or the tropical heat of the southern hemisphere With so many wonderful destinations around the world it is hard to know where to start but with this book a sailor's dream can become a reality Highly experienced sailor Vanessa Bird handpicks 25 of the most varied and interesting places to explore From weekend cruises around the British Isles and crossing the Atlantic Ocean to island hopping in the Caribbean or sailing on one of Canada's Great Lakes this guide gives a useful snapshot of some of the finest cruising grounds from around the world For each destination there is practical information on the route and when to go what to see the level of skill or qualifications required and important things to consider such as what type of boat is needed and hazards along the route Written with sailors of all abilities and preferences in mind the routes featured cover a wide range of cruising grounds Illustrated with stunning photography this guide provides an inspirational glimpse into the places to visit and gives you the information needed to kickstart your adventure **Subject Guide to Books in Print**, 1997
