Grieving Child Never Knew Devotional:

Grieving the Child I Never Knew Kathe Wunnenberg, 2010-06-01 When the anticipation of your child's birth turns into the grief of miscarriage, tubal pregnancy, stillbirth, or early infant death, no words on earth can ease your loss. But there is strength and encouragement in the wisdom of others who have been there and found that God's comfort is real. Having experienced three miscarriages and the death of an infant son, Kathe Wunnenberg knows the deep anguish of losing a child. *Grieving the Child I Never Knew* was born from her personal journey through sorrow. It is a wise and tender companion for mothers whose hearts have been broken, mothers like you whose dreams have been shattered and who wonder how to go on. This devotional collection will help you grieve honestly and well. With seasoned insights and gentle questions, it invites you to present your hurts before God and to receive over time the healing that He alone can and will provide. Each devotion includes Scripture passage and prayer. Steps Toward Healing, questions, Space for journaling, Readings for holidays and special occasions also included. ***Grieving the Loss of a Loved One*** Kathe Wunnenberg, 2000-02-06 Here is a sixty-day devotional companion for those who have suffered the loss of someone they love. **Waiting for Heaven** Heather Gillis, 2014-03-27 Life can sometimes lead us to unexpected places, to only leave us broken, desperate, and hurting. Heather Gillis and her husband Mac waited in anticipation for the birth of their third child. Like many Christian couples, their dreams and expectations in marriage, parenthood, and daily life developed differently than they'd planned and left them grieving a life that would never be. Their journey gives insight into a new normal and uncovers the stepping stones of the healing process. In their process, they re-discovered God's abounding love through their experiences of joy, heartbreak, and purpose. Heather reaches out to parents around the globe to speak openly about being a wife, mother, friend, relative, or stranger during life-changing trials and devastating struggles. In God's love, she has found beauty in the midst of pain as well as peace in His presence on Earth while waiting for heaven. **Neverborn** Jackson Badgenoone, 2018-04-11 Did you ever have a period of time in your life when the whole world crashed in on you? Rachael, the principal character in this book, had such a time: an entire year of tragic events piled one upon the other. She finds strength and reassurance from the imagined voices of her never-born children. Her path leads her to write about relentless attacks on her spirit. Along the way, she seeks solace from reading about others who have experienced similar loss. Rachael's family and friends join her on this exploratory journey. They consider the written works that influence her life. That intellectual exercise morphs into an emotional and spiritual adventure. Perhaps the imagined voices are real. Readers will decide. ***Reproductive Losses*** Christa Craven, 2019-05-30 Although there are far more opportunities for LGBTQ people to become parents than there were before the 1990s, attention to the reproductive challenges LGBTQ families face has not kept pace. *Reproductive Losses* considers LGBTQ people's experiences with miscarriage, stillbirth, failed adoptions, infertility, and sterility. Drawing on Craven's training as a feminist anthropologist and her experiences as a queer parent who has experienced loss, *Reproductive Losses* includes detailed stories

drawn from over fifty interviews with LGBTQ people including those who carried pregnancies non gestational and adoptive parents and families from a broad range of racial ethnic socio economic and religious backgrounds to consider how they experience loss grief and mourning The book includes productive suggestions and personal narratives of resiliency commemorative strategies and communal support while also acknowledging the adversity many LGBTQ people face as they attempt to form families and the heteronormativity of support resources for those who have experienced reproductive loss This is essential reading for scholars and professionals interested in LGBTQ health and family and for individuals in LGBTQ communities who have experienced loss and those who support them See additional material on the companion website www.lgbtqreproductiveloss.org

Grieving Pregnancy Maureen L. Walsh, 2024-12-13 In Grieving Pregnancy Memorializing Loss in Japanese Buddhism and American Catholicism Maureen L. Walsh compares how the two religious traditions respond ritually and discursively to miscarriage stillbirth and abortion experiences marked by grief for the women involved The experience of pregnancy loss has always been a part of women's lives yet only recently has it garnered attention from religious leaders and scholars commensurate with its prevalence This book examines pregnancy loss as a theological problem for both Buddhism and Catholicism and analyzes the rites and memorials that have developed to address it such as Japanese Buddhist mizuko kuy water children rites and emergent American Catholic memorial practices focused on pregnancy loss These parallel practices have emerged within distinct religious landscapes a fact reflected in their forms and purposes and when considered together they raise

questions of keen interest to theological and religious studies about the goals of religious practice and the imagination of human life at its earliest stages

My Deepest Sympathies... Florence Isaacs,2010-02-10 Never are we more concerned with getting it right than when writing to one who has suffered a loss In My Deepest Sympathies letter writing guru Florence Isaacs guides us through the ins and outs of offering comfort and support with short yet meaningful notes that will long be remembered by their recipients She offers guidelines for diverse situations with sample letters to draw on so that it s easy to strike the appropriate tone every time Isaacs explains that the individual circumstances help determine what s appropriate to say in a sympathy note and she provides specific techniques for a wide range of relationships from the death of a coworker s spouse to the loss of a friend s

elderly parent from Alzheimer's. She also addresses complex situations like the death of an ex-wife, an estranged sibling, or a longtime companion. She even includes thoughtful words for the death of a pet. Whether it's for a blank note or a few extra lines on a card, Isaac's advice runs the gamut from personal to professional. And she explains how to provide real help to the bereaved by making phone calls, running errands, or simply lending an ear. Information on funerals, memorial services, and proper etiquette when someone of a different culture has died will help readers avoid missteps in potentially awkward situations. Isaac's closes with techniques for effective eulogies, plus a special appendix of actual eulogies that illustrate ways in which readers can memorialize a loved one for family and friends. Filled with practical information, *My Deepest Sympathies* makes it simple to say and do the right thing at difficult times. —*Caraliza* Joel Blaine Kirkpatrick, 2010-05-15 228 Pages

A seventy-five-year-old secret waits in a lovely old portrait studio at the end of a street in New York City's Lower East Side. It is a secret that drove to madness a renowned photographer, Papa Menashe Reisman, and left him to waste and die in his own studio but haunted by every photograph he tries to take. When his great-granddaughter Shelly begs to have the old building for a new renovation, she awakens more than any secret that Papa kept. She also awakens something darker, more evil, just across the street. Across the street, under the stoop, down a foul stair where Caraliza was kept prisoner for two years until the horrid events of that summer in 1919.
