Ground Zero Starting All Over Again With God:

Ground Zero Ron Cook, Dee Kimbrell, Tom Hicks, 2005-09-01 The Thumb area of rural Michigan in the 1930 s and 1940 s was a place where residents led simple lives They labored long hours on their farms producing enough crops to feed themselves and their animals with enough left over to sell for profit They slept well at night secure in the notion that they had put in an honest day s labor and were fulfilling their destinies in the world In *Home on the Farm* the author provides us with a glimpse of Midwestern Americana during the second quarter of the Twentieth Century He describes the sorrows joys triumphs and tragedies inherent in that rural environment Readers young and old will enjoy being introduced to characters like statuesque Grandmother Davis multi talented Grandfather Williamson Ernestine the renaissance woman Jake the horse dog Grunt the runt Cho lin the champion pig Rocky the riding horse and a host of others Each of the twenty five chapters includes a drawing by the author depicting something about its content The unsophisticated drawings are whimsically charming and employ an unusual means of telling the story of the author s life on the farm They add to the narrative and give it meaning depth and just a touch of humor

Ground Zero Ron Cook, 1999 For those searching for meaning and truth in their lives the best way to start their exploration is to begin at ground zero where all preconceptions about God or religion are left behind With simplicity and purpose this book provides the basic foundations for understanding who God is what He has done and what it all means for our lives The perfect book for seekers *I'm Not F**kin Lyin* Ausbon, 2011-08-11 *I m Not F kin Lyin* is a spiritual script written from the stance of an open minded point of view This script focuses on both personal transformation as well as global transformation Some of the main themes that the book focuses on include the purpose of conscious existence On Earth where consciousness On Earth is going based on where consciousness On Earth has been and it s all tied together with an intimate testimony of the authors personal experience growing up in the United States where he became a professional athlete only to sense a deeper calling as a spiritual student While the script is written with a poetic flow it includes dream interpretation a hint of prophecy and is written with the intent to bring human consciousness ideas of coming together peacefully with love upon the prayer date of 12 22 12 and every breath beyond 51 Reasons Why the

King James David W. Daniels, 2018-10-31 Many Christians claim to have faith in a Bible that doesn t exist That s right they say they believe the original autographs were without error but they don t have them We need a Bible we can trust that we can actually hold in our hands Here are 51 reasons why you can trust the King James Be ready to give an answer More Our world is split between two camps those with faith and those with doubt Right now those with doubt are outnumbering those with faith But God only blesses faith It s the Christian faith not the Christian doubt Are there reasons to trust that God kept His promise to preserve His own words Yes There are many This book is a small collection of those People have been finding not only what faith looks like but have actually made the move and left the doubting Bibles with their contradictory doctrines and come to the King James There they found a consistent message consistent doctrine and a consistent faith So they can

hold the Bible up in their hands and say Thus saith the Lord This is the words of God Trusting God s Words Can Change Your Church The result An increase in holiness faith soul winning Christian growth and confidence in the Scriptures Read 51 Reasons today Close Encounters with God Dr. Reginald O.
