Group Summary			
<p>Group Summary</p> <p>There were 3 clients today within the group therapy session, and are patients of my practice. All are facing similar substance abuse issues with alcohol, and are practicing sobriety.</p>			
<p>Discussion Topic</p> <p>Today's discussion topic is dealing with sobriety, as part of substance abuse therapy. Clients are encouraged to talk about their experiences so far, and how no alcohol is affecting their day to day.</p>			
Intervention			
<p>The session began with introductions, and then with sharing experiences, if comfortable.</p> <p>The clients were then lead through multiple thought exercises considering how life trajectories, relationships, impulses, self-esteem, and work has/has not been affected by their alcohol decisions. This lead to interesting insight, more personal anecdotes and group support, as well as some questions.</p> <p>The final part of the session involved goal-setting, where clients were encouraged to set goals to achieve within the next month. Small steps are recommended, and each client is expected to report back within the next session.</p>			
Plan			
<p>All three clients were happy to meet next time, now having established support. Clients also agreed to make progress on their individual goals set, and will report back in the next session. Each client will also continue to see me privately throughout the month.</p>

9 Highland Road Michael Winerip, 2012-07-04 Before Julie Callahan came to the house at 9 Highland Road in Glen Cove New York she had spent a good part of her young life in mental hospitals her mental and emotional coherence nearly destroyed by a childhood of sexual abuse Fred Grasso a schizophrenic had lived in a filthy single room occupancy hotel At 9 Highland Road they and their housemates were given a decent alternative to lives in institutions or in the streets It was a place in which some even found the chance to get better This perfectly observed and passionately imagined book takes us inside one of the supervised group homes that in an age of shrinking state budgets and psychotropic drugs have emerged as the backbone of America s mental health system As it follows the progress and setbacks of residents their families and counselors and notes the embittered resistance their presence initially aroused in the neighborhood 9 Highland Road succeeds in opening the locked world of mental illness It does so with an empathy and insight that will change forever the way we understand and act in relation to that world
