Davis, 2022 **Growing Older Growing Wiser** Karen Davis (Y.), 2007 **Growing Older & Wiser** Dale Larsen, Sandy Larsen, 2005-07-07 Age brings many gifts and opportunities for continued growth In this nine session LifeGuide Bible Study Dale and Sandy Larsen help you discover the Bible s perspective on aging You ll discover how God can effectively and powerfully use those who have grown wiser with the passing years *Growing Older, Growing Wiser* Dolph Curb, 1993-07-01 I Love Growing Older, But I'll Never Grow Old Dr. J. Ellsworth Kalas, 2013-04-01 Growing older is a process Growing old is a conclusion If you re growing older you see some hope because you have perspective and you keep learning If you ve grown old you may cynically think that times have never been as bad as they are now and that they can only get worse This book is about learning how to make peace with where you are right now It s about learning from the past and then moving past it It s about growing personally spiritually and in our relationships with God and with others If we think properly about growing older we ll never have to grow old A discussion guide is included Older and Wiser Richard Lewallen, 2019-09-14 This book was written for all of us who are growing older It is a unique take on aging **What Does It Mean to Grow Old?** Thomas R. Cole, 1987-08 In What Does It Mean to Grow Old essayists come to grips as best they can with the phenomenon of an America that is about to become the Old Country They have been drawn from every relevant discipline gerontology social medicine politics health anthropology ethics law and asked to speak their mind Most of them write extremely well and their sharply individual voices are heard *Saging - How to Grow Older and Wiser* Joan Z. Shore, 2014-06-12 This is not a book about aging or anti aging It is a book about growing older growing up which we all do from the moment we are born and which is very different from growing old growing down The author proposes ten pointers to guide us on the way and she coins a new word SAGING from Sage and Age that expresses the joy of growing older and wiser **Growing Old Gracefully in the Lord** Randy Collins, 2024-07-01 This is a story about our personal journey when faced with a life altering health diagnosis and the changes that were necessary when assistance from others was required Facing the reality of our own mortality and life s brevity led to a series of Bible studies for the residents in our new home in a

senior living community The class served as a launching pad for exploring aging in a much broader context and the associated health issues that follow as we reach old age and the zenith of our life Through faith we learned that God has a purpose for each one of us even though we may be frail and feeble This book demonstrates how growing old gracefully as God desires in Jesus Christ will bring bountiful blessings as we await with hope and anticipation the promises He has given us in His Word

Growing Old in Christ Stanley Hauerwas,2003-06-20 One of the hallmarks of contemporary culture is its attitude toward aging and the elderly Youth and productivity are celebrated in today s society while the elderly are increasingly marginalized This not only poses difficulties for old people but is also a loss for the young and middle agers who could learn much from the elderly including what it means to grow old and die in Christ Growing Old in Christ presents the first serious theological reflection ever on what it means to grow old particularly in our culture and particularly as a Christian In a full orb ed discussion of the subject eighteen first rate Christian thinkers survey biblical and historical perspectives on aging look at aging in the modern world and describe the Christian practice of growing old Along the way they address many timely issues including the medicalization of aging the debate over physician assisted suicide and the importance of friendships both among the elderly and between the elderly and the young Weighty enough to instruct theologians ethicists and professional caregivers yet accessible enough for pastors and general readers this book will benefit anyone seeking faith based insight into growing old Contributors David Aers David Cloutier Rowan A Greer Stanley Hauerwas Judith C Hays Richard B Hays Shaun C Henson L Gregory Jones Susan Pendleton Jones Patricia Beattie Jung D Stephen Long M Therese Lysaught David Matzko McCarthy Keith G Meador Charles Pinches Joel James Shuman Carole Bailey Stoneking Laura Yordy

Growing Old Rudolf Steiner,2019-05-03 And that is one thing we need to relearn that all of life brings its gifts not only the first two or three decades Rudolf SteinerWhen are we actually old What happens as we age How will we cope with old age Growing old is an art and to grow old in the right way we need spiritual understanding In this enlightening anthology compiled by a director of care homes for the elderly wide ranging cosmological perspectives alternate with detailed observations of the phenomena of ageing Rudolf Steiner sees ageing within the context of the earthly and

spiritual evolution that encompasses all forms of existence The book thus begins with the primary meaning that ageing has in developmental terms and ends with a consideration of the human being as co creator in cosmic processes and with our capacity to become increasingly conscious of the tasks this implies These key texts by Rudolf Steiner show how spiritual knowledge can broaden the current debate on the study of old age the process of ageing and the particular problems faced by older people Concerns about our ageing population can be seen in a broader context that recognizes the fruits of old age The productive relationship between childhood and old age a running theme throughout this volume is one example If we grow old consciously viewing ageing not only as a period of physical decline but as a time when we can actively participate in shaping life then we can begin to find greater meaning in it Chapters include The Core Messages of Ageing Fundamental Principles of Gerontology Ageing as a Developmental Process Ageing the Risks and Opportunities The Art of Growing Old Old Age and Death Growing Old A Challenge for Education The Cosmological Dimensions of Ageing **Reclaim Your Right To**
