The Table: Stories from Black Women in Student Affairs The Table Books, 2020-07-10 Black women work twice as hard to have a seat at the infamous table The table that once we have a seat at we are told to be grateful for or else we could lose it back to the kitchen preparing meals that we may never have the pleasure of sitting down and enjoying We are given no plate No utensils No napkin to clean up those accidental spills Instead of waiting for a seat at a table where we would have to compromise our stories or have them told by those who have not walked our paths we decided to build our own table and invited some of our sisters to sit with us and indulge in its spread This book is an anthology of the various trials and triumphs 11 Black women encountered while working in the student affairs sector of higher education We are connected by our experiences navigating in spaces where we have sometimes felt disempowered but we have learned the trade of maneuvering in a professional environment and world dominated by white people This is just the beginning We will be adding more chairs assembling more

tables and inviting others in our communities to have a seat where they'd like No more unfulfilled appetites and unseasoned dishes No more scrapes from biting our tongues At this table we define spaces We center conversations We invite fellowship We serve you food for your soul and truth elixir for your thirst

acknowledging His grace How much of our wholeness depends on our response of thankfulness What does the story of the ten lepers teach us about the importance of gratitude in our walk with God How can we cultivate a heart of thankfulness that leads to true spiritual wholeness Ten Made Whole shows us that gratitude is the gateway to deeper spiritual healing and wholeness A thankful heart opens the door to greater intimacy with God and more profound experiences of His grace Step into Ten Made Whole Gratefulness from One Leper and be reminded that true healing is not just physical it is spiritual and it begins with a heart that acknowledges the goodness and mercy of God When we return to God in gratitude we experience the fullness of His restoration **The Psychology of Gratitude** Robert A.
