Every Day Should be Mother's Day Jennifer Basye Sander,2020-03-17 Celebrate the moms in your life and perhaps yourself as well After all they've done for us moms everywhere deserve to be appreciated on a daily basis rather than waiting all year to get a card and some flowers Think back on the many things big and small your mother has done for you over the years from baking cookies or sometimes letting you choose the radio station on a car trip to hemming your dress in time for the prom Isn't it time you started making those same gestures in the other direction We think so It is never too early or for that matter too late to make a parent feel special Mother's Day has a long and storied history stretching back to its earliest roots in the post Civil War era What began as one woman's attempt to help heal the grief of mothers who'd lost sons on both sides of the fight and then became another woman's attempt to honor her own mother has morphed over the years into more of a commercial event Isn't it time we got back to the idea of making moms feel treasured and appreciated In these pages you'll find idea after idea that will encompass a wide variety of activities to get you thinking about how to make your mom feel special even if you don't live close by Go ahead and remember to buy that card and bring over some flowers on the actual Mother's Day but in the meantime here are some ways to make every day count **Preserving Family Recipes** Valerie J. Frey,2015-11-01 Heirloom dishes and family food traditions are rich sources of nostalgia and provide vivid ways to learn about our families past yet they can be problematic Many family recipes and food traditions are never documented in written or photographic form existing only as unwritten know how and lore that vanishes when a cook dies Even when recipes are

written down they often fail to give the tricks and tips that would allow another cook to accurately replicate the dish. Unfortunately, recipes are also often damaged as we plunk Grandma's handwritten cards on the countertop next to a steaming pot or a splattering mixer, shortening their lives. This book is a guide for gathering, adjusting, supplementing, and safely preserving family recipes and for interviewing relatives, collecting oral histories, and conducting kitchen visits to document family food traditions from the everyday to special occasions. It blends commonsense tips with sound archival principles, helping you achieve effective results while avoiding unnecessary pitfalls. Chapters are also dedicated to unfamiliar regional or ethnic cooking challenges as well as to working with recipes that are orphans, surrogates, or terribly outdated. Whether you simply want to save a few accurate recipes, help yesterday's foodways evolve so they are relevant for today's table, or create an extensive family cookbook, this guidebook will help you to savor your memories.

Can't Never Could Cook Anything Geno Boarman, 2021-08

Quiche of Death Mary Lee Ashford, 2020-07-21

When editor Sugar Calloway and baker Dixie Spicer went into business creating cookbooks, they found a sideline as amateur sleuths. Now a bitter family grudge could leave a fatal aftertaste. At Sugar Spice Community Cookbooks, the friends and business partners have secured a tasty new commission: producing a cookbook for the Arbor family. The Arbors have made their fortune in quiches, and Sugar and Spice have been invited to a weekend gathering where all the siblings, along with crusty matriarch Marta, will be in attendance. But it's soon clear that this trip will come with a hefty

slice of drama Theo the only grandson arrives with his flaky fianc e Collette who quickly stirs up trouble and is found dead the next day As the investigation unfolds secrets and recipes are shared and Sugar and Spice realize just how messy and murderous the situation may be As another family member falls ill can they solve the case without getting egg on their faces and a target on their backs Includes delicious recipes
