Greater Intimacy With Our Creator:

Greater Intimacy with Our Creator Robert Sr. Eldredge (Sr),2013-02 The author begins by boldly proclaiming that the inspiration for this book came from an unusual dream In the dream he said that the greatest teaching to learn was how to become more intimate with our Creator Since the author had never even taught on this particular subject before it seems very unlikely that the dream came from his own soulish mind It was also revealed in the dream that our intimacy with Him was supposed to be like when we are romantically in love with another person This book can relate to people in every level of spiritual growth including those who have never experienced the pure love of God his forgiveness of sins and the assurance of eternal life with Him In the latter part of the book even those who already have a deep personal relationship with God are challenged to seek even higher levels of intimacy with Him by becoming true disciples of His only begotten Son and by worshipping Him in spirit and in truth for He longs for us to respond to his own infinite and personal love for us

Protecting Your Family Charles F. Stanley,2008-02-17 Gain a Biblical Perspective on Family Even though many leaders give lip service to family values and the need to have strong families it s clear that the family unit is under attack today To a great extent the family is a high priority target of Satan s Why Because the family is important to God The strong family is the perfect setting to learn godly living and wisdom and to apply Bible based principles that are pleasing to the Lord In *Protecting Your Family* Dr Charles Stanley teaches readers how to recognize the attacks of the enemy on their family and how to combat them with the truths and principles of Scripture He focuses on the foundations of a godly home such as love stewardship and prayer Each study draws on Dr Stanley s many years of teaching the guiding principles found in God s Word showing how we can apply them in practical ways to every situation we face Each of the ten lessons includes A brief look at what is covered in the lesson A teaching from Dr Stanley that unpacks the topic of the lesson Application and Bible study questions based on the key points Key takeaways to put into practice today and tomorrow O2 Richard Dahlstrom,2008 Invites readers to embrace fresh perspectives on prayer the Word solitude and creation and continue to sustain their spirituality through hospitality generosity service and obedience to Christ

opposite categories but often questioning our wisdom knowledge and certitude is a sign of wisdom As humans we should struggle to understand To act with complete confidence in our power of discernment is to claim God s power as our own The path forward from doubt is one of trust in God We are invited to imitate Jesus and let go of our doubt and our competition with God and to trust in God s love and intentions Scriptures Matthew 26 36 46 Matthew 28 1 15 John 20 11 29 1 Corinthians 15 12 28 1 Peter 1 3 16 Spiritual Practice Meditation Unit 3 Intentional Sabbath In the secular West the concepts of holy days and sabbath have been replaced by days off work or school and vacations We rest so that we can work harder and earn more money so that we can take vacations away from our communities In the Bible rest from work had a different purpose One worked to prepare for the sabbath On the sabbath one participated together with the entire community the livestock and the land in a shared rest that signified the wellbeing and abundance that God intended for creation No one was required to work to make another s leisure possible Sabbath rest is a foretaste of the rest that awaits us and that God will provide in the fullness of time Scriptures Exodus 20 8 11 Psalm 23 Matthew 12 1 14 Luke 4 16 21 Spiritual Practice Self Care Being Gay, Being Christian Stuart Edser, 2012-01-18 Is it possible to be both gay and Christian This book explains calmly and logically that the two are not mutually exclusive With the support of some of the finest scientific and theological minds Dr Stuart Edser presents a compelling case for tolerance and acceptance rejecting the traditional Christian view that gay people are either sick or sinful as a result of their sexual orientation While shrill voices of prejudiced fundamentalism are raised from all sides of the Christian church he invites the reader to a new experience of God Dr Edser is uniquely qualified to explain the biology psychology and sociology of being gay as well as to examine the Bible its interpretation and traditional Christian teaching on sexual morality Not only does he have a wealth of experience grounded in the Church both Catholic and Protestant but he is also a psychologist author and researcher Moreover he threads his own extraordinary story through the text using this and his experience as a clinician to guide his thinking In particular he offers a positive and rational voice so often glaringly absent from the Church s utterances on homosexuality He argues passionately for church people everywhere to open their minds and show a willingness to discard older ways of thinking where more modern explanations reveal the truth more accurately And he encourages gay Christians to integrate their sexuality and their faith so that both are valued equally BEING GAY BEING CHRISTIAN is a call for reformation within the Christian church an appeal to modernity in our approach to knowledge and a practical self help book for people who are struggling with their sexuality so they can find both self esteem and a connection with God It will be of particular interest to People confused about their sexuality Young gay people Gay people who go to church Christian families and friends of gay people Clergy and church workers Progress Through Mental Prayer Edward Leen, Aeterna Press, 2015-07-31 SAINT PAUL writing to the Christian converts addresses them as persons called to be Saints It is clear from this mode of address that in the eyes of the Apostle the vocation of every Christian as such is that he be a saint To the Apostle s mind this calling once one has been baptized is ineluctable To evade it

to the end is not merely to risk but actually to incur everlasting unhappiness Startling as this thought is there is not needed much reflection to see that its truth cannot be gainsaid Nothing unsaintly can find place in heaven Aeterna Press **Daily Grace** Cook David C, David C Cook, 2005 Daily Grace is a fresh collection of daily reflections to help readers uncover God's presence power and provision for living life purposefully and gracefully An inspiring scripture encouraging quote and profound grace principle accompany each affirming devotion *BACK TO THE GARDEN* Jan Mitchell, MSW Wayne Mitchell, PhD, 2014-10-21 **Exhale** Chanda Fulgum, 2020-02-24 Some days you are absolutely slaying this thing called life Others you simply have to remind yourself to BREATHE you've got this one step one day at a time Exhale is an invitation to intentionally be still and engage in the Presence of God to face your day and everything that is coming your way It is an opportunity to go vertical before winning at tackling the horizontal Experience raw and authentic vulnerability in every day circumstances that will lead you into a deeper relationship with your Heavenly Creator and launch you into your dreams and goals in practical ways with tears and laughter along the way *A Graceful Life* Bradley Hanson, 2000-01-21 The author understands spirituality to be the attitudes convictions and practices that give a definite shape to religious faith Further he asserts that spirituality is experiential and practical for it concerns the specific forms by which faith is expressed and nurtured The book describes the special emphases of Lutheran spirituality and recommends practices that nurture a vital spirituality After an introductory chapter on the contemporary context each of the seven chapters explores a major theme of Lutheran spirituality A final chapter speculates on the future of Lutheran spirituality Each chapter includes questions for reflection and group and individual practices An appendix gives suggestions for group use **Parenting without Panic in an LGBT-Affirming World** Rachel Gilson, 2024-09-01 Helps parents to teach young children what the Bible says about sexuality proactively and positively in a culture with contrasting ideas and values As Christian parents we long to equip our kids as they venture out into a culture where LGBT identities are affirmed and celebrated We want them to know what God says and to love what God says But it's hard to know where to start That's where this book can help Author Rachel Gilson helps you to teach your children proactively and positively about God's beautiful design for human sexuality gender and relationships This book will help you to provide your children with a Christian framework for sexual ethics rather than letting the culture lay the foundations of their worldview in this area Rachel writes with understanding and clarity to help fellow parents engage with the wider LGBT narrative with faith rather than fear Since she herself experiences same sex attraction but has chosen to follow the Bible's teaching she has put much thought into this topic She reassures us that Jesus gives us everything we need to be faithful disciples in a fallen world and that God works out his perfect purposes despite human sin She also shares her wisdom on how to respond with grace and truth to people with different beliefs in this area This book is ideal for parents of pre school and primary school children **What to Expect in the Coming Days** Jim Hurst, 2008-03 Have you been wondering what God is up to in this final countdown to eternity In his book What To Expect In The Coming

Janssen,2022-08-01 Reach for the Stars is the memoir of the twenty first century mystic Mark Janssen Here he describes his earliest memories of conversations in his crib with God Mary Jesus and angels and saints Originally from a small rural town in the Upper Midwest Mark was raised in a traditional Catholic family This book talks about how he was strongly discouraged from pursuing the development of his unfolding mystical abilities even as a small child It was from his maternal grandmother that he learned he was descended from many generations of mystics She taught and encouraged Mark to always be in contact with the angels His grandmother instructed him to always listen to them and to God Here we read how the author grew into adulthood with the spiritual guidance of his guardian angel St Michael the Archangel With Michael s assistance Mark learned about many different sorts of angels good and evil Unexpectedly while still in high school Michael and the angels worked with him on his first exorcism We read about Mark s surprise that others around him did not communicate with God angels and demons How he saw the spirits of those buried in the cemetery behind his childhood home How Mark carried his mystical gifts with him into adulthood We read about his experiences as an ordinary member of society and during his time as a Benedictine monk Along with using the gifts we normally associate with psychics Mark has found himself performing spirit clearings exorcisms and healings He has spoken to people one on one and in large groups about his experiences as a mystic Mark Janssen has written Reach for the Stars to assure others that their paths through life are always with the love and companionship of their guardian angels As a mystic child he was greatly blessed to have his grandmother to support him He wishes to offer that same reassurance to children and adults His belief is that we can all see God and our guardian angels This is one man s story of how it came to be for him **Created to Draw Near** Edward T.
