Putman, 2024-08-01 The New Testament clearly teaches that Jesus was miraculously conceived by the Holy Spirit in the womb of a Jewish virgin named Mary This doctrine is often dismissed by modern scholars who at best see it is a misunderstood parable and at worst see it as a fabrication on the part of the biblical evangelists However for orthodox Christians around the world this doctrine is integrally linked to our understanding of God his Word and the incarnation of Jesus In *Conceived by the Holy Spirit The Virgin Birth in Scripture and Theology* Rhyne Putman defends the authenticity and significance of the virgin birth of Christ through a meticulous examination of biblical texts and historical context He addresses both traditional and contemporary objections to the doctrine of the virgin birth providing robust answers rooted in Scripture and reason The virgin birth transcends mere parable it stands as a testament to the profound union of God and

humanity In this work Rhyne Putman demonstrates not only the truth of the virgin birth but also its necessity for orthodox theology and its implications for Christian life      **Living by Grace In an Ungracious World** Tom Rhodes,2019-01-22

Living by Grace in an Ungracious World is not accomplished by self effort The word grace can describe the smooth movement of a ballerina or the long stride of an Olympic runner or even geese flying in formation in the sky Certainly this gives some idea that grace is a thing of beauty However the Biblical doctrine of grace has a much greater meaning for the Christian because it is not possible without the intervention of God Himself We will find in this book that biblical grace is granted from the Sovereign God who brings that wonderful life through salvation and sanctification Our part is developed through a personal mindset and personal relationships by yielding to God s power True life in Christ is to be living by grace This is the road less traveled but the best road to walk on through our sojourn on earth as Christians      Sharing Your Story and God's Story Doug Fields,Brett Eastman,2003 Presents lessons to be used by small groups to explore ways to share faith in Jesus through prayer scripture fellowship and ministry      Covenant Companion ,1996      **The Transforming Word Series, Volume 4** Mark Hamilton,2022-10-18 The life and work of Jesus Christ must not be overlooked Born under Roman occupation Jesus lived his entire life without writing anything down His earliest followers the Christians that were shaped by his life and teachings carefully recorded his words as good news They also experienced his resurrection and believed that he had entrusted them with a mission to transform the world      **A Lifelong Apprenticeship : Study Guide for Growing Disciples** Cam Stuart,2005      MasterLife Avery T.
