David G. Myers

Growing Up With A Single Parent Growing Up With A Single Parent:

Growing Up with a Single Parent Sara McLanahan, Gary D. Sandefur, 2009-07-01 Nonwhite and white rich and poor born to an unwed mother or weathering divorce over half of all children in the current generation will live in a single parent family and these children simply will not fare as well as their peers who live with both parents This is the clear and urgent message of this powerful book Based on four national surveys and drawing on more than a decade of research *Growing Up with a Single Parent* sharply demonstrates the connection between family structure and a child's prospects for success What are the chances that the child of a single parent will graduate from high school go on to college find and keep a job Will she become a teenage mother Will he be out of school and out of work These are the questions the authors pursue across the spectrum of race gender and class Children whose parents live apart the authors find are twice as likely to drop out of high school as those in two parent families one and a half times as likely to be idle in young adulthood twice as likely to become single parents themselves This study shows how divorce particularly an attendant drop in income parental involvement and access to community resources diminishes children's chances for well being The authors provide answers to other practical questions that many single parents may ask Does the gender of the child or the custodial parent affect these outcomes Does having a stepparent a grandmother or a nonmarital partner in the household help or hurt Do children who stay in the same community after divorce fare better Their data reveal that some of the advantages often associated with being white are really a function of family structure and that some of the advantages associated with having educated parents evaporate when those parents separate In a concluding chapter McLanahan and Sandefur offer clear recommendations for rethinking our current policies Single parents are here to stay and their worsening situation is tearing at the fabric of our society It is imperative the authors show that we shift more of the costs of raising children from mothers to fathers and from parents to society at large Likewise we must develop universal assistance programs that benefit low income two parent families as well as single mothers Startling in its findings and trenchant in its analysis *Growing Up with a Single Parent* will serve to inform both the personal decisions and governmental policies that affect our children's and our nation's future

Growing Up in a Single-Parent Family: Challenges and Opportunities Pasquale De Marco, 2025-07-19 In a rapidly changing world single parent families are becoming increasingly common This book offers a comprehensive guide to the challenges and opportunities that single parents and their children face Drawing on the latest research and the experiences of single parents and their children this book provides invaluable insights into the complex world of single parent families It explores the factors contributing to the rise of single parent households the impact of divorce and separation on children and the unique strengths and challenges that single parents encounter The book also offers practical strategies and resources to help single parents raise happy healthy and successful children It provides guidance on co parenting and blended families the importance of extended family and community support and policy and program recommendations to improve the lives of single parent families

Whether you are a single parent a child from a single parent family or a professional working with single parent families this book is an essential resource It provides a wealth of information support and guidance to help you navigate the challenges and opportunities of single parenting This book is a must read for anyone who wants to understand the changing landscape of the American family and the unique needs of single parent families It is a valuable resource for single parents grandparents educators social workers and policymakers alike With compassion and insight this book sheds light on the complex world of single parent families and offers hope and support to those who are navigating this journey It is a powerful reminder that single parents are not alone and that they can raise happy healthy and successful children If you like this book write a review

[Growing Up in a One-parent Family](#) Elsa Ferri, 1976 **Handbook of Contemporary Families** Marilyn Coleman, Lawrence H Ganong, 2004 Coleman and Ganong recruited an outstanding group of scholars to contribute to the Handbook of Contemporary Families Authors represent a wide array of disciplines and the topics touch on every aspect of family life The organization of the book is excellent and the writing of high quality Scholars and students alike will find the book a valuable resource Alan Booth Penn State University Marilyn Coleman and Larry Ganong have produced a comprehensive handbook exploring the changes and challenges confronting contemporary families The chapters written by some of the most distinguished social scientists studying families give a balanced research based analysis of some of the most contentious issues of our time E Mavis Hetherington University of Virginia This useful handbook brings together many of the most important new findings and provocative ideas about America s diverse and changing families An excellent resource Stephanie Coontz author of *The Way We Really Are* Coming to Terms with America s Changing Families What has happened to marriage and families What is the current state of families Where are families headed Where is family scholarship headed As families face challenges today brought on by events that have changed their perception of the world there is a need for a clear assessment of what has happened to families in the past and an examination of some data based theories about what is likely to happen in the future The Handbook of Contemporary Families explores how families have changed in the last 30 years and speculates about future trends Editors Marilyn Coleman and Lawrence H Ganong along with a multidisciplinary group of contributors critique the approaches used to study relationships and families while suggesting modern approaches for the new millennium The Handbook looks at how changes within the contemporary family have been reflected in family law family education and family therapy Features of this Handbook Examines a diverse array of families and relationships in which people live including chapters on alternative lifestyles gay and lesbian relationships economically distressed families religion and families racial and ethnic diversity a feminist vision for families older families and the effect of computers and other technology on family relationships Includes both a historical review and future speculation on the subjects covered in each chapter Interdisciplinary contributors representing a variety of fields such as history family studies sociology law therapy social work psychology nursing and human development The Handbook of Contemporary Families is an excellent

resource for advanced undergraduate and graduate students researchers educators and practitioners who study and work with families in several disciplines including Family Science Human Development and Family Studies Sociology Marriage Family Therapy and Social Work

Fatherless Katrina Nsheiwat, 2010-06 Being fatherless herself Katrina Nsheiwat writes passionately about the broken home in America According to United States census data 21.8 million children are fatherless raised by 13.7 million single parents 11 million are single moms Proud of her Jordanian American heritage the author stresses the need for role models and extended family members as surrogate parents She pleads for a return to basic family values Research shows that every day more than thirty five hundred children are born to unwed mothers They will all grow up fatherless If I can show that children of single parents can overcome adversity and become productive citizens through love discipline education and faith my highest aspirations for this book will be realized Life Without Father David Popenoe, 1996 The author of *Disturbing the Nest* Family Change and Decline in Modern Society reveals how the disintegration of the child centered two parent family and the weakening commitment of fathers to their children that usually follows are a central cause of many of America's worst individual and social problems

Encyclopedia of Primary Prevention and Health Promotion Thomas P. Gullotta, Martin Bloom, 2003-01-31 Foundational topics such as history ethics and principles of primary prevention as well as specific issues such as consultation political issues and financing The second section addresses such topics as abuse depression eating disorders HIV AIDS injuries and religion and spirituality often dividing such topics into separate entries addressing childhood adolescence and adulthood

Social and Emotional Development in Infancy and Early Childhood Janette B. Benson, Marshall M. Haith, 2010-05-21 Research is increasingly showing the effects of family school and culture on the social emotional and personality development of children Much of this research concentrates on grade school and above but the most profound effects may occur much earlier in the 0-3 age range This volume consists of focused articles from the authoritative Encyclopedia of Infant and Early Childhood Development that specifically address this topic and collates research in this area in a way that isn't readily available in the existent literature covering such areas as adoption attachment birth order effects of day care discipline and compliance divorce emotion regulation family influences preschool routines separation anxiety shyness socialization effects of television etc This one volume reference provides an essential affordable reference for researchers graduate students and clinicians interested in social psychology and personality as well as those involved with cultural psychology and developmental psychology Presents literature on influences of families school and culture in one source saving users time searching for relevant related topics in multiple places and literatures in order to fully understand any one area Focused content on age 0-3 save time searching for and wading through lit on full age range for developmentally relevant info Concise understandable and authoritative for immediate applicability in research

Family Life, Family Law, and Family Justice Marsha Garrison, 2022-10-28 *Family Life* *Family Law* and *Family Justice* Tying the Knot combines history social science and legal analysis to chart the evolution and

interdependence of family life and family law portray current trends in family life explain the pressing policy challenges these trends have produced and analyze the changes in family law that are essential to meeting these challenges The challenges are large and pressing Across the industrialized West nonmarital birth relational stress multi partner fertility and relationship dissolution have increased producing a dramatic rise in single parenthood poverty and childhood risk This concentration of familial and economic risk accelerates socioeconomic inequality and retards intergenerational mobility Although the divide is most pronounced in the United States the same patterns now affect families throughout the Western world Across the European Union there are 9.2 million lone parents and just under half of their families live in poverty Tying the Knot demonstrates how today's family patterns are deeply rooted in long standing class based differences in family life and explains why these class based differences have accelerated It explains how the values that guide family law development inevitably reflect the world in which families live and develops a new family law capable of meeting the needs of twenty first century families The book will be of considerable interest to family specialists from a number of fields including law demography economics history political science public health social policy and sociology **Sociology** John E. Farley, Michael W. Flota, 2017-10-02 This best selling textbook returns for a seventh edition with material on the most fundamental and fascinating issues in sociology today The authors continue their tradition of focusing on the big picture with an emphasis on race class and gender in every chapter The text continues to frame sociological debates around the major theoretical perspectives of sociology and focus on capturing students imaginations with cutting edge research and real world events The hallmark of the book continues to be clear writing that helps students understand the intricacies of the discipline like no other textbook on the market New to the seventh edition Expanded focus on new social movements such as Black Lives Matter Occupy Wall Street and the Tea Party Updates on both the 2012 and 2016 elections New discussions of Donald Trump and the immigration debate causes and consequences New discussions of patriot movements racism and the reaction to the first African American president Expanded coverage of sexual orientation and LGBT issues Updates on gay rights and the historic legalization of same sex marriage New sections on cyber life discussion issues such as cyber bullying and public shaming WikiLeaks Edward Snowden and NSA spying sexting and youth culture the Arab Spring and social media activism New coverage of the so called he cession and the rise of women managers whom employers still see as risky but increasingly as highly talented Updates on health care reform five years on and the efforts to repeal and replace Obamacare Expanded coverage of mass shootings and the corresponding policy debates Expanded coverage and new focus on police involved shootings and gun control in the Deviance Crime and Social Control chapter New discussions of the sociology of finance including the role of financial derivatives in the 2008 global financial crisis New photos and updated figures and tables throughout the text The American Paradox David G. Myers, 2008-10-01 DIV For Americans entering the twenty first century it is the best of times and the worst of times Material wealth is at record levels yet disturbing social problems reflect

a deep spiritual poverty In this compelling book well known social psychologist David G Myers asks how this paradox has come to be and more important how we can spark social renewal and dream a new American dream Myers explores the research on social ills from the 1960s through the 1990s and concludes that the materialism and radical individualism of this period have cost us dearly imperiling our children corroding general civility and diminishing our happiness However in the voices of public figures and ordinary citizens he now hears a spirit of optimism The national dialogue is shifting away from the expansion of personal rights and toward enhancement of communal civility away from efforts to raise self esteem and toward attempts to arouse social responsibility away from whose values and toward our values Myers analyzes in detail the research on educational and other programs that deal with social problems explaining which seem to work and why He then offers positive and well reasoned advice suggesting that a renewed social ecology for America will rest on policies that balance me thinking with we thinking div

Choosing Single Motherhood Mikki Morrisette, 2008 The comprehensive guide for single women interested in proactively becoming a mother includes the essential tools needed to decide whether to take this step information on how best to follow through and insight about answering the child's questions and needs over time Choosing Single Motherhood written by a longtime journalist and Choice Mother a woman who chooses to conceive or adopt without a life partner will become the indispensable tool for women looking for both support and insight Based on extensive up to date research advice from child experts and family therapists as well as interviews with more than one hundred single women this book explores common questions and concerns of women facing this decision including Can I afford to do this Should I wait longer to see if life turns a new corner How do Choice Mothers handle the stress of solo parenting What the research says about growing up in a single parent household How to answer a child's daddy questions The facts about adoption anonymous donor insemination and finding a known donor How the children of pioneering Choice Mothers feel about their lives Written in a lively style that never sugarcoats or sweeps problems under the rug Choosing Single Motherhood covers the topic clearly concisely and with a great deal of heart

Handbook of Parenting Marc H. Bornstein, 2005-02-16 Please see Volume I for a full description and table of contents for all four volumes

Handbook of Parenting: Being and becoming a parent Marc H. Bornstein, 2002 Despite the fact that most people become parents and everyone who has ever lived has had parents parenting remains a mystifying subject about which almost everyone has opinions but about which few people agree Striking permutations on the theme of parenting are emerging single parenthood blended families lesbian and gay parents and teen versus fifties first time moms and dads Divided into four volumes the Handbook of Parenting is concerned with different types of parents basic characteristics of parenting forces that shape parenting problems faced by parents and the practical sides of parenting Contributors have worked in different ways toward understanding all of these diverse aspects of parenting and look to the most recent research and thinking in the field to shed light on many topics every parent has wondered about Because development is too subtle dynamic and intricate to admit that

parental caregiving alone determines the course and outcome of ontogeny **Succeeding Generations** Robert Haveman, Barbara Wolfe, 1994-06-09 Drawn from an extensive two decade longitudinal survey of American families *Succeeding Generations* traces a representative group of America's children from their early years through young adulthood. It evaluates the many background factors that are most influential in determining how much education children will obtain whether or not they will become teen parents and how economically active they will be when they reach their twenties. *Succeeding Generations* demonstrates how our children's future has been placed at risk by social and economic conditions such as fractured families, a troubled economy, rising poverty rates and neighborhood erosion. The authors also pinpoint some significant causes of children's later success, emphasizing the importance of parents' education and, despite the apparent loss of time spent with children, the generally positive influence of maternal employment. Haveman and Wolfe supplement their research with a comprehensive review of the many debates among economists, sociologists, developmental psychologists and other experts on how best to improve the lot of America's children. A state of the art investigation of the determinants of children's success in the United States. Clearly written, highly readable and compelling. *Contemporary Sociology*. Haveman and Wolfe are professors of economics who bring sophisticated statistical and econometric techniques to the analysis of the economic and educational success of children as they progress into young adulthood. *Choice*. This study is one of the most comprehensive of its kind in part because the researchers collected detailed information about a wide range of children each year for more than two decades. *Wisconsin State Journal*. The research at the core of this book addresses critically important questions in social science, an important contribution to the literature. Robert Plotnick, University of Washington.

Working-Class Lesbian Life Yvette Taylor, 2007-07-13 This is an original study of women self-identified as working class and lesbian, showing the significance of class and sexuality in their biographies, everyday lives and identities. It provides insight, a critique of queer theory and an empirical interrogation of the embodied spatial and material intersection of class and sexuality. **Intergenerational Mobility** Jean Kimmel, 2022-02-15 This volume presents a complex portrait of the interrelationships among parents' marital status and education, child gender and the nature and success of children's transitions into adulthood. The first three chapters focus on differences in parents' investments in their children, while the final three chapters focus directly on intergenerational income mobility. **Ending Welfare as We Know it** United States Congress. House. Committee on Government Operations. Human Resources and Intergovernmental Relations Subcommittee, 1994. Distributed to some depository libraries in microfiche. *Doing Better for Children* OECD, 2009-09-01 Drawing on a wide range of data sources, this book constructs and analyses different indicators of child well-being across the OECD, covering six key areas: material well-being, housing and environment, education, health and safety, risk behaviours and quality of school life. [The Triple Bind of Single-Parent Families](#) Rense Nieuwenhuis, Laurie C. Maldonado, 2018-03-07 Available Open Access under CC BY-NC licence. Single parents face a triple bind of inadequate resources, employment and

policies which in combination further complicate their lives This book multi disciplinary and comparative in design shows evidence from over 40 countries along with detailed case studies of Sweden Iceland Scotland and the UK It covers aspects of well being that include poverty good quality jobs the middle class wealth health children s development and performance in school and reflects on social justice Leading international scholars challenge our current understanding of what works and draw policy lessons on how to improve the well being of single parents and their children

Unveiling the Power of Verbal Artistry: An Mental Sojourn through **Growing Up With A Single Parent Growing Up With A Single Parent**

In some sort of inundated with monitors and the cacophony of quick conversation, the profound power and mental resonance of verbal beauty frequently diminish into obscurity, eclipsed by the regular barrage of sound and distractions. Yet, located within the lyrical pages of **Growing Up With A Single Parent Growing Up With A Single Parent**, a fascinating function of literary splendor that pulses with organic emotions, lies an unforgettable trip waiting to be embarked upon. Growing Up With A Single Parent Growing Up With A Single Parent Introduction

In today's digital age, the availability of Growing Up With A Single Parent Growing Up With A Single Parent books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Growing Up With A Single Parent Growing Up With A Single Parent books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Growing Up With A Single Parent Growing Up With A Single Parent books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Growing Up With A Single Parent Growing Up With A Single Parent versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Growing Up With A Single Parent Growing Up With A Single Parent books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Growing Up With A Single Parent Growing Up With A Single Parent books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public

domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Growing Up With A Single Parent Growing Up With A Single Parent books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Growing Up With A Single Parent Growing Up With A Single Parent books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Growing Up With A Single Parent Growing Up With A Single Parent books and manuals for download and embark on your journey of knowledge?
