Growth of the Soil (Hardcover) Knut Hamsun, W. W. Worster, 2018-05-28 Growth of the Soil Knut Hamsun's Nobel Prize winning novel is an abiding classic of Scandinavian literature At the time it was published the literary world was in the throes of shifting to a modernist style Popular novels were set in the contemporary present with technological and societal advancements forming part of the narrative backdrop Growth of the Soil openly displays the conflicts between the old traditions of agrarian society and the ever mounting wonders and conveniences offered by modern society The farmer Isak scarcely acknowledges the values of modern living Illiterate but capable of carrying out the business of running a farm he has physical strength and works with his hands Although initially amazed by Isak's prowess his wife Inger who came into contact with modern society when imprisoned for killing her infant due to its birth defect return to the home much less impressed by the country life

Growth of the Soil Knut Hamsun, 1920 **The Growth of the Soil** Knut Hamsun, 2001-05-01 **In the Land of the Cyclops** Karl Ove Knausgaard, 2023-01-10 From the New York Times bestselling author of the My Struggle series comes a collection of ambitious remarkably erudite essays on art literature culture and philosophy In the Land of the Cyclops is Karl Ove Knausgaard's first collection of essays to be published in English In these wide ranging pieces he reflects openly and with penetrating intelligence on Ingmar Bergman's notebooks Anselm Kiefer the northern lights Madame Bovary Rembrandt and the role of an editor Accompanied by black and white reproductions throughout these essays illuminate Cindy Sherman's shadowlands the sublime mystery of Sally Mann's vision and the serious play of Francesca Woodman They capture Knausgaard's remarkable ability to mediate between the personal and the universal between life and art Each piece glimmers with his candor and his longing to authentically see understand and experience the world

Bodies Inhabiting the World Niels Henrik Gregersen, Derek R. Nelson, Bengt Kristensson Ugglå, 2023-11-20 Bodies Inhabiting the World Scandinavian Creation Theology and the Question of Home offers a multidimensional investigation of how houses bodies communities and the whole universe may be conceived and refigured as places where we belong where we are at home in God's creation In this way revisiting the tradition of Scandinavian creation theology provides profound resources to make theological affirmations of God's omnipresence in the human condition we all share The emergence here of an exciting new theological program can be recognized beyond the limitations of other contemporary agendas cul de sacs blind spots and diffidence What it is to have a home is a universal question closely connected to what it means to be human and to live a good

flourishing life But the negative experiences of homelessness broken homes statelessness and alienation always lurk in the background of the universal quest to find one's home in the world This book contains fourteen essays exploring the dynamics of the human experience of finding losing and finding again a home **In Praise of Paths** Torbjørn Ekelund,2020-05-05 What Ekelund is addressing is the intention to walk one's way to meaning the walk as spiritual exercise a kind of vision quest A key strategy for finding ourselves then is to first get lost The New York Times Book Review An ode to paths and the journeys we take through nature as told by a gifted writer who stopped driving and rediscovered the joys of traveling by foot Torbjørn Ekelund started to walk everywhere after an epilepsy diagnosis affected his ability to drive The more he ventured out the more he came to love the act of walking and an interest in paths emerged In this poignant meandering book Ekelund interweaves the literature and history of paths with his own stories from the trail As he walks with shoes on and barefoot through forest creeks and across urban streets he contemplates the early tracks made by ancient snails and traces the wanderings of Romantic poets amongst other musings If we still understand ourselves in relation to the landscape Ekelund asks then what do we lose in an era of car travel and navigation apps And what will we gain from taking to paths once again A charming read celebrating the relationship between humans and their bodies their landscapes and one another The Washington Post This book was made possible in part thanks to generous support from NORLA [The ^AOxford Handbook of Land Politics](#) Saturnino M. Borrás,Jennifer C. Franco,2025-08-29 Access to land in all its multiple meanings is necessarily diverse complex and contentious and facilitating and maintaining such access constitutes a mosaic of social relations and institutional instruments rather than the minimalist and simplistic reduction of land to land property that in turn tends to be interpreted always as individual private property The Oxford Handbook of Land Politics offers heterodox analytical tools to help the reader make sense of the complexity of the politics of land **Nordic Literature** Steven P. Sondrup,Mark B. Sandberg,Thomas A. DuBois,Dan Ringgaard,2017-12-15 Nordic Literature A comparative history is a multi volume comparative analysis of the literature of the Nordic region Bringing together the literature of Finland continental Scandinavia Sweden Norway Denmark and S pmí and the insular region Iceland Greenland and the Faroe Islands each volume of this three volume project adopts a new frame through which one can recognize and analyze significant clusters of literary practice This first volume Spatial nodes devotes its attention to the changing literary figurations of space by Nordic writers from medieval to contemporary times Organized around the depiction of various scapes and spatial practices at home and abroad this approach to Nordic literature stretches existing notions of temporally linear nationally centered literary history and allows questions of internal regional similarities and differences to emerge more strongly The productive historical contingency of the North as a literary space becomes clear in this close analysis of its literary texts and practices **Penguin Classics** Penguin (Firm),2001 **Insight Guides Scandinavia** Insight Guides,2012-07-06 Insight Guide Scandinavia is illustrated throughout with hundreds of specially commissioned colour photographs Our inspirational Best of

Scandinavia section picks out the top attractions and activities not to be missed Stretching from mainland Europe to the North Pole s backyard Scandinavia s vast territory covers all manner of environments From well tended Danish farmland to Norway s wild and breathtaking fjords from Sweden s great lakes and islands to bear filled Finnish forests from the cosmopolitan capital cities to the remotest islands there s a Scandinavian habitat to suit every mood and Insight Guide Scandinavia will help you discover them Our History and Culture chapters cover Scandinavia s past and present with accessible essays on the people the art and culture the food and drink Special features cover the Vikings Danish design Finnish saunas and the Hurtigruten the post boat which cruises through Norway s fjords All major sites are cross referenced with the maps and the travel tips section provides a wealth of practical information on how to plan your trip as well as carefully selected hotel and restaurant listings

Troubling Legacies Peter Sjølyst-Jackson,2010-04-13 Modernist troublemaker in the 1890s Nobel Prize winner in 1920 and indefensible Nazi sympathiser in the 1930s and 40s Knut Hamsun continues to provoke condemnation apologia and critical confusion Informed by the works of Jacques Derrida and Sigmund Freud Troubling Legacies analyses the heterogeneous and conflicted legacies of the enigmatic European writer Hamsun Moving through different phases of his life this study emphasises the dislocated nature of Hamsun s works and the diverse and conflicting responses his fiction elicited from such figures as Franz Kafka Katherine Mansfield Walter Benjamin and Martin Heidegger Close readings of the major novels Hunger Mysteries Pan and Growth of the Soil are presented alongside lesser known writings including his early polemic on America his turn of the century travelogue through Russia his fascist polemics of the 1930s and 40s and his controversial post war testimony On Overgrown Paths Troubling Legacies links past debates with contemporary literary theory and deconstruction in a way that contributes to critical thinking about political responsibility

Norway Judy Lomax,2022-07-28 This well established cruising guide covers the coast of Norway northwards from the Swedish border in the Skagerrak around the North Cape to the Russian border It includes coverage of the Lofoten and Vester len islands the Arctic archipelago of Svalbard and the remote volcanic island of Jan Mayen Author Judy Lomax continues to sail this beguiling coastline of majestic fjords and multiple islands and uses her extensive network of contacts built up over more than 30 years to help monitor changes in the region This fourth edition incorporates numerous updates to her previous work and expands on the detail for some areas such as the Oslo Fjord and the Telemark Canal There is a wealth of new photographs and revised Imray plans throughout Whether you are on a private vessel or one of the many ships cruising this stunningly beautiful region Norway is a trusted and proven companion Any yachtsman even contemplating a visit to this loveliest of cruising areas could be considered negligent if he did not buy this book RHR Cruising The author finds it difficult to avoid superlatives when talking about Norwegian scenery I find it equally difficult to avoid superlatives when talking about this book I am impressed Also most Norwegians may learn a lot of facts from this excellent book This will remain a classic and will come in new editions in the foreseeable future Customer feedback For anyone sailing in Norwegian

waters this book is an absolute must It is the perfect example of a truly excellent pilot from which practically nothing can be found missing Christine Holroyd Cruising Association magazine **Play Among Books** Miro Roman,Alice

_ch3n81,2021-12-06 How does coding change the way we think about architecture This question opens up an important research perspective In this book Miro Roman and his AI Alice_ch3n81 develop a playful scenario in which they propose coding as the new literacy of information They convey knowledge in the form of a project model that links the fields of architecture and information through two interwoven narrative strands in an infinite flow of real books Focusing on the intersection of information technology and architectural formulation the authors create an evolving intellectual reflection on digital architecture and computer science
