Guantanamo Why The Illegal Us Base Should Be Returned To Cuba:

Border Disputes Emmanuel Brunet-Jailly, 2015-07-28 An ideal resource for anyone studying current events social studies geopolitics conflict resolution and political science this three volume set provides broad coverage of approximately 80 current international border disputes and conflicts Border disputes are a common source of political instability and military conflict around the globe both in the present day and throughout history Border Disputes A Global Encyclopedia will serve as an invaluable resource for students studying social studies political science human geography or related subjects Each volume of this expansive encyclopedia begins with an accessible introduction to the type of dispute to be discussed identifying the conflict as territorial Volume 1 positional Volume 2 or functional Volume 3 Following the background essay in each volume are comprehensive case study entries on specific international conflicts examining the disputed area the reasons for the dispute and cultural political historical and legal issues relating to the dispute The third volume will also provide primary documents of legal rulings and important resolutions of various disputes as well as profiles of key organizations relating to border studies and specific border dispute commissions A New No-Man's-Land Esther

Whitfield, 2024-07-15 Guant namo sits at the center of two of the most vexing issues of US policy of the past century relations with Cuba and the Global War on Terror It is a contested extralegal space In A New No Man s Land Esther Whitfield explores a multilingual archive of materials produced both at the US naval base and in neighboring Cuban communities and proposes an understanding of Guant namo as a coherent borderland region where experiences of isolation are opportunities to find common ground She analyzes poetry art memoirs and documentary films produced on both sides of the border Authors and artists include prisoners guards linguists chaplains lawyers and journalists as well as Cuban artists and dissidents Their work reveals surprising similarities limited access to power and self representation mobility restricted by geography if not captivity and immersion in political languages that have ascribed them rigid roles Read together the work of these disparate communities traces networks that extend among individuals in the Guant namo region inward to Cuba and outward to the Caribbean the Americas Europe and the Middle East **Diplomatic Strategies of Rising Nations in the Global South**

Jacqueline Anne Braveboy-Wagner, 2024-07-12 At a time of change in the international system this book examines how non traditional leading nations from the Global South have fared to date and what the chances are of their rise to continue In the second decade of the twenty first century the enthusiasm of observers of the international scene about the rise of the rest is waning as many countries that were expected to lead the evolving multipolar order are experiencing economic contraction and governance problems In order to predict further developments the contributors to this volume focus on the types and sources of the diplomatic strategies that must be executed by rising states if they are to preserve domestic advances as well as gain influence regionally and internationally Through a comprehensive examination of case studies from Latin America Africa Asia and the Middle East they show that while there are commonalities among these rising states unique domestic

conditions values and traditions impact and predict diplomatic strategizing and the ability for sustained projection on the international scene *Decline of the U.S. Hegemony?* Bruce M. Bagley, Magdalena Defort, 2015-07-01 This book analyzes ALBA's structure and dynamics its practicality its medium and long term sustainability and its capacity to influence regional and international affairs The work examines ALBA's possible economic and security consequences for neighboring non member states in the region particularly the United States as well as other key actors such as China Russia and Iran The volume analyzes the origins ideological orientation structure internal dynamics and evolution of the ALBA initiative and its regional and international implications during its first decade of existence It is the first comprehensive work on the subject with a multi disciplinary perspective and it provides an analysis of the new regional Bolivarian Alliance initiative in Latin America and its relation to the international system The volume includes studies on the Bolivarian Alliance and Chavismo under Hugo Chavez Fr as leadership As a whole this volume weaves together such crucial issues as oil politics drug trafficking hemispheric security and trade *Guantánamo and American Empire* Don E. Walicek, Jessica Adams, 2018-01-30 This book explores the humanities as an insightful platform for understanding and responding to the military prison at Guantánamo Bay other manifestations of Guantánamo and the contested place of freedom in American Empire It presents the work of scholars and writers based in Cuba's Guantánamo Province and various parts of the US Its essays short stories poetry and other texts engage the far reaching meaning and significance of Gitmo by bringing together what happens on the U S side of the fence or la cerca as it is called in Cuba with perspectives from the outside world Chapters include critiques of artistic renderings of the Guantánamo region historical narratives contemplating the significance of freedom analyses of the ways the base and region inform the Cuban imaginary and fiction and poetry published for the first time in English Not simply a critique of imperialism this volume presents politically engaged commentary that suggests a way forward for a site of global contact and conflict *Debating U.S.-Cuban Relations* Jorge I. Domínguez, Rafael M. Hernández, Lorena G. Barberia, 2017-01-20 In this book an all star cast of experts on Cuban Politics critically address the recent past and present in U S Cuban relations in their full complexity and subtlety to develop a perspective on the evolution of the conflict and an inventory of forms of cooperation This much needed approach provides a way to answer the questions what has been and what is while also thinking seriously about what if *Human Rights Violations in Castro's Cuba* United States. Congress. House. Committee on International Relations. Subcommittee on International Operations and Human Rights, 1996

Attempts of Pro-Castro Forces to Pervert the American Press United States. Congress. Senate. Committee on the Judiciary. Subcommittee to Investigate the Administration of the Internal Security Act and Other Internal Security Laws, 1963

Cuba Libre - Version 2 James Phillips, 2010-07-21 Two young Cubans fall in love whilst working in a cigar factory in the murdering corrupt Batista and US Mafia run Cuba of the 1950's Gradually they are forced with their families to join The Freedom Fighters in The Sierra Madres mountains to fight for survival and freedom in Cuba Incredibly they fight and

overthrow the corrupt Cuban and US Mafia Cuban Government and build a new Cuba for all people They become doctors in the new Cuba and raise a family at peace **Between Compliance and Conflict** Jorge Dominguez, Byung Kook Kim, 2013-01-11 This book examines the responses to U S power in the two areas of the world where U S primacy was first successfully consolidated East Asia and Latin America The U S has faced no comparably powerful challengers to the exercise of its power in Latin America for much of the past century It established its primacy over much of East Asia in the aftermath of WW II and extended its influence in the late 1970 s and after the end of the Vietnam War through its entente with China to balance the Soviet Union By contrast the U S has always encountered rivals and challengers in Europe has attempted unsuccessfully thus far to impose its primacy in the Middle East and has paid only intermittent attention to South Asia and Africa The essays in this volume will explore three important themes 1 How do region wide economic trends and arrangements sustain or modify U S influence in the region 2 How do rising powers in these regions Japan China Brazil reshape their policies to cope with the U S and 3 How do new South Korea and old Cuba challengers to U S power shape their policies to account for the unrivaled exercise of U S power This collection will place the United States at the hub of relations with countries in East Asia and Latin America and examine the new policies and new styles of engagement that are employed to address the prolonged U S interest in these areas approaches from which the rest of the world might learn

While America Slept Robert C. O'Brien, 2016-09-06 Robert C O'Brien's collection of essays on U S national security and foreign policy with a forward by Hugh Hewitt is a wake up call to the American people The world has become steadily more dangerous under President Obama's lead from behind foreign policy The Obama Administration's foreign policy has emboldened our adversaries and disheartened our allies Indeed Obama's nuclear deal with Iran is a 1938 moment At the same time the U S military has been cut and risks returning to the hollow force days of the 1970s O'Brien lays out the challenges and provides the common sense peace through strength solutions that will allow the next president to make America great again The State of the World's Refugees, 2000 Mark Cutts, Office of the United Nations High

Commissioner for Refugees, 2000 Includes statistics Cuban Communism Irving Louis Horowitz, Jaime Suchlicki, There is no handier guide to the Castro regime and the debates swirling around it Foreign Affairs Appearing in the aftermath of the stunning events surrounding the Elian Gonzalez case the nature of Cuban Communism has again become a core issue for the American people Cuban Communism has widely come to be known as the Bible of Cuban Studies It has been updated and upgraded for the fourth decade of Castro's successful seizure of power the longest running dictatorship in the world In addition to articles and essays representing recent developments in Cuba the work boasts an update of three new features that will make it even more important to students scholars and researchers in the area The volume has an entirely new section on future prospects for civil society and democracy for Cuba in a post Castro environment It also contains a chronology of events from 1959 through 2000 that will be important as a guide for studying the period Finally the work

contains a brief but carefully constructed who's who of important players in Cuba and the regime during the Castro period. Some of the articles new to the tenth edition of *Cuban Communism* are by Ernesto Betancourt *Technical Assistance Needs for Institutional Transformation*, Andrew Natsios *Humanitarian Assistance During a Democratic Transition in Cuba*, Juan J. Lopez *Non Transition in Cuba*, Michael Radu *United States and Cuba after Castro*, Sergio Diaz Brikets *International Lending Institutions in Cuba's Transition Process*, and *Future Security Issues between the United States and Cuba* by Brian Latell. This edition sheds new light on why despite predictions of imminent collapse the Castro regime has remained in power. It offers insights into the survival potential of dictatorships and illegitimate regimes despite crisis and ostracism. It is more than ever a must volume for those interested in comparative political systems and social structures. Irving Louis Horowitz is Hannah Arendt Distinguished Professor Emeritus of Sociology and Political Science at Rutgers University. Among his works are *Three Worlds of Development*, *Beyond Empire and Revolution*, and the Bacardi Lectures on Cuba published as *The Conscience of Worms* and *the Cowardice of Lions*. Jaime Suchlicki is Bacardi Professor of History at the Graduate School of International Studies at the University of Miami and executive director of its Cuban American and Cuban Center. He is author of *From Columbus to Castro*, *University Students and Revolution in Cuba and Mexico*, *From Montezuma to NAFTA*, *Chiapas*, and *Beyond*.

Adrift Alfredo Antonio Fernández, 2000-09-30. In 1989 the world watched as the Berlin Wall tumbled down and then looked on as the entire Iron Curtain shook itself to pieces, freeing Eastern Europe after decades of Soviet domination. But how many observers noticed as the swells and shockwaves from those events slowly crossed the Atlantic Ocean to roil the waters of the Caribbean and break upon the shores of Cuba? In *Adrift: The Cuban Raft People*, Alfredo Fernández surveys the turbulence produced an entire hemisphere away by the collapse of the USSR and concludes that ironically the greatest collateral damage has been inflicted not on the regime of Fidel Castro but rather upon the men, women, and children seeking to flee his dictatorship. For although U.S. immigration policy changed soon after Castro's grip on the Cuban people has remained unyielding even as extraordinary economic crises have wracked the island, as a result countless refugees seeking freedom have disappeared without a trace into the churning waters of the Florida Straits. And many of those rescued in international waters by U.S. naval vessels have simply been turned back over to the Cuban authorities. Focusing especially on the years 1994 through 1996, by which time the magnitude of the post-Soviet changes in Cuba had become fully apparent, Fernández presents a compelling international gallery of survivors, victims, traitors, rogues, and heroes. From the infamous destruction of two unarmed private planes sponsored by the humanitarian group *Brothers to the Rescue* by Cuban MIGs in February 1996 to an afterward on the media-driven frenzy over five-year-old Elián González found alone in an inner tube two miles off Fort Lauderdale in November 1999, this is the powerful true saga of two nations in conflict and the hapless people adrift between their shores. Fernández's compelling account captures the stories of the Cuban boat people, which are particularly relevant in light of the recent Elián González case. The work transcends purely ethnic interest in addressing a

political topic of broad national impact *The Law of Armed Conflict and the Use of Force* Frauke Lachenmann, Rüdiger Wolfrum, 2017 This volume collects articles on the law of armed conflict and the use of force from the Max Planck Encyclopedia of Public International Law to facilitate easy access to content from the leading reference work in international law *Refugee and Humanitarian Admissions* U.S. Commission on Immigration Reform, 1997 Latinamerica Press , 1994

FY 1981 Foreign Assistance Legislation United States. Congress. Senate. Committee on Foreign Relations, 1980

Immigration Controls Kay Hailbronner, David A. Martin, Hiroshi Motomura, 1998 Some of the most pressing questions in immigration law and policy today concern the problem of immigration controls How are immigration laws administered and how are they enforced against those who enter and remain in a receiving country without legal permission Comparing the United States and Germany two of the four extended essays in this volume concern enforcement the other two address techniques for managing high volume asylum systems in both countries That Infernal Little Cuban Republic Lars Schoultz, 2011-02-01 Lars Schoultz offers a comprehensive chronicle of U S policy toward the Cuban Revolution Using a rich array of documents and firsthand interviews with U S and Cuban officials he tells the story of the attempts and failures of ten U S administrations to end the Cuban Revolution He concludes that despite the overwhelming advantage in size and power that the United States enjoys over its neighbor the Cubans historical insistence on their right to self determination has been a constant thorn in the side of American administrations influenced both U S domestic politics and foreign policy on a much larger stage and resulted in a freeze in diplomatic relations of unprecedented longevity
