Guess What Dear Diary:

Guess What? Dear Diary, Cherrye S. Vasquez Ph. D., Kelly A. Vasquez, 2012-08-01 The author and illustrator of this diary desire a fun and exciting way for young girls to write about their greatest accomplishments personal feelings and fears As young girls grow up they will have their share of life's problems but writing can be soothing for the mind and soul Both the author and illustrator realize that there will be triumphs as well as pitfalls during life but journaling about daily ins and outs via a diary can be nurturing rewarding and refreshing for a girl's emotional state The author and illustrator would like for parents to feel comfortable appreciating and understanding that in no way are they encouraging girls to keep secrets from their parents The headings topics are appropriately tailored for girl like thoughts and they are pure in everyday life and nature Poem! CK Barrett, 2010-01-29 A girl's prattle of the now then the then again her albatross and other stuff as well

Mortified David Nadelberg, 2006-11-28 Share the shame In the days before blogs teenagers recorded their lives with a pen in top secret notebooks usually emblazoned with an earnest underlined plea to parents to keep away Since 2002 David Nadelberg has tapped that vast wellspring of adolescent anguish in the stage show Mortified in which grown men and women confront their past with firsthand tales of their first kiss first puff worst prom fights with mom life at bible camp worst hand job best mall job and reasons they deserved to marry Simon LeBon Following the same formula that has made the live show a beloved cult hit Mortified the book takes real childhood journals and documents and edits the entries into captivating comedic and cathartic stories introduced by their now older and allegedly wiser authors From letters begging rescue from a hellish summer camp to catty locker notes about stuck up classmates to obsessive love that borders on stalking Mortified gives voice to the real and really pathetic hopes fears desires and creative urgings that have united adolescents for generations **The Surprise of My Life** Claire Drainie Taylor, 2010-10-30 It's an autobiography If I tell you what's in it you won't read the book Claire Drainie Taylor Or would you Maybe you'd be intrigued by the progression of a life begun as an unexceptional little girl born to a middle class Jewish Canadian couple in a small prairie town who at age sixteen married a refined Englishman and survived the Great Depression partly alone in a shack in the woods of Vancouver Island Or how only a few months after returning to Vancouver with no training and minimal education this same young woman walked on stage at one of Canada's finest old theatres and went on to a successful thirty year career as an actress and radio dialogue writer Having been compelled by her family to write her memoir it wasn't until she'd finished and reread her manuscript that Claire Drainie Taylor realized what an extraordinary life she'd led Her descriptions of the many fascinating incidents that make up her story and how she dealt with them revealed herself to herself in a way that illuminates what she calls The Surprise of My Life Dry Your Smile Robin Morgan, 2016-09-13 A former child actor searches for her true self in this novel within a novel from a leader of the international feminist movement Before she even turned fourteen Julian Travis made enough money as a TV star to support her mother for life in an apartment in one of Manhattan's best buildings But now Julian is in her midforties

and things are not so glamorous or easy Her mother is slowly dying of Parkinson s her marriage of twenty years is steadily disintegrating and money is scarce Though Julian is a famed feminist spokeswoman and published poet when she looks into the mirror she doesn t recognize herself That and the novel she is writing are giving her a terrible time Dry Your Smile takes readers on a journey into Julian s past from the precarious circumstances surrounding her birth to the lies and stories her mother wove about her absent father to her childhood diary and dreams and her subsequent escape into the arms of a revolutionary artist and a bohemian life In the present Julian delves into the emotional baggage imparted by her Jewish stage mom as a means of taking off the many masks she has worn over the years and begins writing prose through the voice of her younger self She also searches for a new future in a lesbian love affair with Iliana a bisexual photographer and the one person who makes Julian feel beautiful In the end however perhaps what Julian needs most is to separate herself from the expectations and images of others and truly listen to the woman she has become A roman clef of author and poet Robin Morgan s own struggles with what it means to be a female writer in the late twentieth century Dry Your Smile is an intelligent and cathartic addition to any feminist library *December's Thorn* Phillip DePoy,2025-10-16 December s thorn cruelest in the wood Will give no rose but still draw blood Traditional Fever Devilin is an academic with a complicated past and an unusual view of the world A folklorist by training he s returned to his family home in Blue Mountain a small town in the heart of Georgia s Appalachian Mountains where nothing is ever quite what it seems and the past is always complicated Still recovering from a near death experience Fever is visited by a woman who claims to be his wife And she s there to deliver some shocking news Fever has a son His friends don t really believe the woman exists they think she s another hallucination of a mind still slowly recovering from a long term coma Fever s fianc e is torn between being outraged and concerned for his mental health None of this is helped by the fact that Fever even in the best of times has a tendency to see things that others don t and that may not strictly speaking exist But when someone starts shooting very real bullets from a very real rifle in Fever s direction the one thing that everyone can agree upon is that there s something very deadly going on In this novel from Phillip DePoy all Fever has to do is sort out who is trying to kill him and why before they succeed Product of My Environment Centoria Cousin,2012-10-24 Can Zanity survive in a world where her enemies are her friends With her eighteenth birthday approaching she is happy to retire every dress in her closet and graduate from high school She is also expecting a big check from her deceased fathers insurance policy She plans to escape the clutches of her alcoholic mother as soon as turns eighteen but with her new found love life between herself and two men her mother will soon become the least of her worries Can she handle two lovers Can she even trust them In the blink of an eye Zanity and everything in her world will change Will Zanity escape her environment or become it **Faeries Never Lie** Nafiza Azad,Holly Black,Dhonielle Clayton,Tessa Gratton,Kwame Mbalia,Ryan La Sala,L.L. contains a storyline involving PTSD Have you read my other sapphic novels in The Stronger You Series *Seconds Out On The
Ropes* Reviews This is the first book I've read by this author and it will definitely not be the last I enjoyed the characters and
the plot of the story It sucks how one can see themselves damaged after being in an abusive relationship or being the victim
of a crime but it was great how they came together and realized they needed each other in order to heal The intimate scenes
were explosive I'm off to read the next book in the series Kindle Customer Well written The psychological aspects of the

novel are well done Not overly The romance is solid Loved this book BendOre Excellent story about the effects of PTSD and overcoming them Relatable characters and likable Left me wanting more I look forward to the second book in the series Carley B This was the first story Ruby wrote in first person view and wow she did it in such an amazing way I mean I already thought before that Ruby is a gifted writer but after this book I m looking for a word that increases the word gifted I m honestly just so very proud of her Once more Ruby touched me deeply and my heart went out to both characters I actually saw so much of myself in Logan that I sometimes thought Dani is speaking to me It was almost scary Of course that also means that Ruby made me cry again Like she does it just every time Not sure how I should feel about that but I think I will just say thank you Thank you Ruby for letting me be a part of your journey For letting me forget everything around me every time I read one of your books For letting me feel all those feelings Besides I don t know how you do it but your quotes at the beginning of your books always get to me This time especially the second one I will try to keep that in mind for whenever there are doubts again I won t reveal too much about the story What I can say is that as always you get all the feelings including some very hot scenes And you get to see characters that have to deal with some real baggage and that are doing that in such a wonderful way Last but not least I loved those diary entries so very much Everyone who reads the book will hopefully feel the same And the best about it is that this was just the start of a new series and there will be more I wanna finish my review with a saying that suits the book perfectly Maybe it s not always about trying to fix something broken Maybe it s about starting over and creating something better Conny
