

The background of the cover is a photograph of an industrial steam system. It features a complex network of large, dark-colored pipes that curve and loop through the space. In the background, there are various industrial components, including what appears to be a boiler or a large tank, and some structural elements of the facility. The lighting is somewhat dim, giving the scene a technical and industrial feel. The overall color palette is dominated by the dark tones of the pipes and the lighter, slightly hazy background.
