& S Index of Corporations and Industries ,1977 How to Argue like Jesus Joe Carter,John Coleman,2008-12-18 Uses Jesus words and actions found in the New Testament to systematically evaluate his rhetorical stylings drawing real lessons from his teachings that today s readers can employ Jesus of Nazareth never wrote a book held political office or wielded a sword He never gained sway with the mighty or influential He never took up arms against the governing powers in Rome He was a lower class worker who died an excruciating death at the age of thirty three Yet in spite of all odds obscurity powerlessness and execution his words revolutionized human history How to Argue Like Jesus examines the life and words of Jesus and describes the various ways in which he sought through the spoken word his life and his disciples to reach others with his message The authors then pull some very simple rhetorical lessons from Jesus life that readers can use today Both Christian and non Christian leaders in just about any field can improve their ability to communicate effectively by studying the words and methods of history s greatest communicator **Gentle Persuasion** Dr. Joe Aldrich,2011-02-02 Gentle Persuasion is an encouraging appeal of all Christians of all ages and abilities to become part of God s strategy for brings needy men and women to Christ Join Joe as he explains how cherry piess hammers and saws lawn mowers broken down cars chariots of fire babysitters duck hunters llama farmerss and even attack lambs with steel wool can draw your friends to the Savior

Influencing Your World for Christ Matthew Robert Payne,2017-10-05 The mention of the word evangelism can produce any number of responses from people Many Christians know that they should be sharing Jesus with their friends and family members but fear of rejection stops them Other factors also keep them from sharing One of the most common reasons that people don t win their friends to Christ is not so much fear as the fact that they don t know how to evangelize people However you can influence your world for Christ without overwhelming your friends without embarrassing yourself or without even being rejected One day I sat down and decided to record this book on video so that people could see how I live my life and how I influence those that come in contact with me This process is not scary and you won t be rejected if you live out the keys in this book Instead the contents will actually free you up to be who you are with everyone that you know Gone will be the masks that you wear for some people as they get to know the authentic Christian that you are I am no theologian and have never had formal training at a school yet I have shared my personal faith in Jesus with thousands of people as well as shared personal messages from Jesus with many people through prophetic evangelism If you want to learn how to influence your world with the message of the Gospel with confidence take a look inside Your world and the lives of those around you will be impacted for God s glory and the Kingdom Influencing Your World Cedrick Brown,2005-08 This study guide begins with a diagnosis of the readers spiritual states as far as influencing others is concerned and helps them clearly understand where God wants them *Mind Changers* Emory A. Griffin,1976 **The Mind Changers** Emory A.
