Christine, 2011-05-18 Without asking there can be no answer A Womans Path to Peace provides a common background within which the reader can explore the familiar yet challenging elements of the journey of awakening Eclectic yet grounded in the simple ordinariness of an average middle class lifestyle this book acts as a bridge between where we are in our humanness and where the Real World is Topics such as pets kids and energy healing are explored within the context of every day life poignant in its simplicity and raw in its intimacy Touching essays are scattered throughout the book to provide the reader with real life examples of how Spirit reveals itself in the simplest of moments

Raising a Healthy Child: Universal Nurturing Techniques to Overcome Adverse Childhood Experiences, Child Trauma, and Behavior Disorders Dr. Meena Chintapalli, 2019-09-26 The power of brain training through nurture using multisensory integration zero to three years and even up to five years of life is essential to prevent behavior and learning disorders and youth health risk behaviors This book is a humanitarian contribution from the Society for Assistance International SAI and the SAI Institute of Educare with the intention of preventing child trauma and consequent neurodevelopmental and physical disorders This book is the result of my passion to reach out to all and ensure that every child is born to give something back to society Every parent loves their progeny and wants to give them the best I am certain that parents might have read thousands of books filled with suggestions on parenting techniques regimental reward and reactive limit setting techniques But awareness by parents of giving positive early experiences through nurture will help build holistic intellectual and effective personality development

extracted from every newborn A knowledgeable parent will seek an education that explains how to nurture and extract inherent potential from each newborn They will be happy to move away from old theories on raising an infant and will eagerly self educate to develop the skills to be an effective parent There is one universal truth that differentiates humanity from the rest of creation It is only in human beings that the five senses connect the individual to the world with the executive brain which sits on the top of the eye sockets orbits and helps use discrimination and self regulation to balance all the emotions
