Infamous Commerce Laura J. Rosenthal, 2006-06-08 Laura J Rosenthal uses literary and historical sources to explore the meaning of prostitution from the Restoration through the eighteenth century Infamous Commerce Laura J. Rosenthal, 2015-03-19 In *Infamous Commerce* Laura J Rosenthal uses literature to explore the meaning of prostitution from the Restoration through the eighteenth century showing how both reformers and libertines constructed the modern meaning of sex work during this period From Grub Street s lurid whore biographies to the period s most acclaimed novels the prostitute was depicted as facing a choice between abject poverty and some form of sex work Prostitution in Rosenthal s view confronted the core controversies of eighteenth century capitalism luxury desire global trade commodification social mobility gender identity imperialism self ownership alienation and even the nature of work itself In the context of extensive research into printed accounts of both male and female prostitution among them sermons popular prostitute biographies satire pornography brothel guides reformist writing and travel narratives Rosenthal offers in depth readings of Samuel Richardson s *Clarissa* and *Pamela* and the responses to the latter novel including Eliza Haywood s *Anti Pamela* Bernard Mandeville s defenses of prostitution Daniel Defoe s *Roxana* Henry Fielding s *Tom Jones* and travel journals about the voyages of Captain Cook to the South Seas Throughout Rosenthal considers representations of the prostitute s own sexuality desire revulsion etc to be key parts of the changing meaning of the oldest profession *Commerce. Ann Lewis, Markman Ellis, 2015-10-06 The eighteenth century saw profound changes in the way prostitution was represented in literary and visual culture This collection of essays focuses on the variety of ways that the sex trade was represented in popular culture of the time across different art forms and highlighting contradictory interpretations **Nightwalkers** Laura Rosenthal, 2008-08-12 This anthology makes available for the first time a selection of narratives by and about prostitutes in the eighteenth century These memoirs some written by and some about eighteenth century prostitutes offer important insights into female experience and class and gender roles in the period Portraying the lives of women in both success and hardship written in voices ranging from repentant to bawdy the memoirs show the complexity of the lives of the nightwalkers For eighteenth century readers as Laura Rosenthal writes in her introduction these memoirs offered sensual and sentimental journeys glimpses into high life and low life and relentless confrontations with the explosive power of money and the vulnerability of those without it Offering a range of narratives from the conservative and reformist to the unabashedly libertine this book provides a fascinating alternative look into eighteenth century culture **Changing Sentiments and**

the Magdalen Hospital Mary Peace,2016-11-25 This book charts the complex ideological territory of eighteenth century sentimental discourse through the uniquely revealing lens of the London Magdalen Hospital for Penitent Prostitutes The establishment of the London Magdalen House in 1758 is read as the cultural high watermark of sentimental confidence in the compatibility of virtue and commerce It is the product of a whiggish moral sense discourse at its most ebullient and culturally authoritative Equally visible though in this context are the ideological limitations of moral sense thinking and an anticipation of the ways in which its ideas ultimately failed to underwrite commercial virtue Sentimental discourse fractures in the course of the mid century in part it becomes increasingly divorced from the world retreating into a primitivist proto Romantic virtue which claims no purchase on things as they are Where sentimental vocabulary persists in a worldly context it becomes divorced from a vocabulary of moral virtue It is overlaid with a French usage where sentiment and sensibility describe exquisite emotion rather than refined and cultivated virtue Changing Sentiments and the Magdalen Hospital registers the fracturing and shifting ground of sentimental discourse in the changing institutional practise of the Magdalen institution most particularly in its increasingly embrace of evangelical religion A Preliminary Essay, on the Oppression of the Exiled Sons of Africa Thomas Branagan,1804 Contemporary Rewritings of Liminal Women Miriam Borham-Puyal,2020-01-15 This book explores the concept of liminality in the representation of women in eighteenth and nineteenth century literature as well as in contemporary rewritings such as novels films television shows videogames and graphic novels In particular the volume focuses on vampires prostitutes quixotes and detectives as examples of new women who inhabit the margins of society and populate its narratives Therefore it places together for the first time four important liminal identities while it explores a relevant corpus that comprises four centuries and several countries Its diachronic transnational and comparative approach emphasizes the representation across time and space of female sexuality gender violence and women s rights also employing a liminal stance in its literary analysis facing the past in order to understand the present By underlining the dialogue between past and present this monograph contributes to contemporary debates on the representation of women and the construction of femininity as opposed to hegemonic masculinity for it exposes the line of thought that has brought us to the present moment hence challenging assumed stereotypes and narratives In addition by using popular narratives and media the present work highlights the value of literature films or alternative forms of storytelling to understand how women s place in society their voice and their presence have been and are still negotiated in spaces of visibility agency and power
