Helena Petrovna Blavatsky

Infinite Sacrifice Infinite Series Book 1:

Heir Unapparent L.E. Waters, 2024-08-13 HEIR UNAPPARENT begins with a grave unearthed on a Spanish battlefield by archaeologist Professor Declan. She's excited to see a figure in full plate armor dating to the mid-fourteenth century. However, she's even more shocked to find a medieval journal in surprisingly good condition that attempts to explain the unusual circumstances of the Englishman in that grave. It reveals the long-held secret that the author of the journal, Lord Lyon Bailey, was actually born female. This ignites an obsession of getting to know everything Professor Declan can about Lord Lyon Bailey by immersing herself in that bygone world of beauty, murder, secrecy, illusion, friendship, and love. Professor Declan won't stop until she finds all the answers.

The Spring I Turned Ugly L.E. Waters, 2024-08-22 The Spring I Turned Ugly is best described as a modern Steel Magnolias meets American Bridget Jones Diary meets The Devil Wears Prada. However, it's the complete opposite of The Summer I Turned Pretty since Kiera Starlow hits a snag in life when everything seems to fall apart the spring of her twenty-third year. After a shocking breakup with Bodhi, whom she's known since she was fifteen, Kiera's world seemed to halt, and she did all she could to try to adapt to a much different plan without Bodhi. However, things only get worse when Bodhi reappears, seemingly wanting her back four months later, just as a humiliating pinnacle event at work occurs. Kiera's pushed to go on a nine-day free trip to France, but the hitch is it's with five old ladies. It's not the new job in New York City as difficult as that turns out to be, or losing twenty pounds, nor the trip to France that changes Kiera's life like she thought. It's the wisdom of five older, exuberant women that puts her back on track. Sometimes life gives you ugly, and sometimes it's when you feel the worst that the story truly begins.

Systematic Theology (Vol. 1-3) Augustus Hopkins Strong, 2023-12-16 In Systematic Theology Vol. 1-3, Augustus Hopkins Strong presents a comprehensive synthesis of Christian doctrine grounded in a profound understanding of Scripture and theological tradition. His work is marked by meticulous organization and clarity, designed to guide both novice and seasoned theologians through complex theological concepts. Strong adeptly employs a blend of historical exegetical and philosophical approaches, addressing key issues such as the nature of God, Christology, and the Holy Spirit, effectively situating his discussion within the context of 19th-century American theology and its dialogues with contemporary German scholars. Augustus Hopkins Strong, a prominent theologian and educator, served as the president of Rochester Theological Seminary, where he shaped the theological education of his time. His deep commitment to evangelical orthodoxy and his engagement with both biblical scholarship and the challenges posed by modernity are evident in this magnum opus. Strong's background in philosophy and his pastoral experience inform his theological perspectives as he seeks to address the needs of his church and wider society through a rigorous yet pastoral lens. Systematic Theology is a pivotal text for anyone seeking to deepen their understanding of Christian theology. Strong's clear analysis and robust argumentation make it an invaluable resource for students, pastors, and lay readers alike. This work not only enriches theological knowledge but also inspires faith, encouraging readers to engage thoughtfully with the core tenets.
