- 1 So long as I have this token from my homeland, I can face any adversity in this strange land.
- 2 The gods of my people are a comfort to me so far from home.
- 3 I hold no greater cause than my service to my people.
- 4 My freedom is my most precious possession. I'll never let anyone take it from me again.
- 5 I'm fascinated by the beauty and wonder of this new land.
- 6 Though I had no choice, I am not having to leave my loved one(s) behind. I hope to see them again one day.

FLAWS

dc Flaw

- 1 I am secretly (or not so secretly) convinced of the superiority of my own culture over that of this foreign land.
- 2 I pretend not to understand the local language in order to avoid interactions I would rather not have.
- 3 I have a weakness for the new intoxicants and other pleasures of this land.
- 4 I don't take kindly to some of the actions and motivations of the people of this land, because these folk are different from me.
- 5 I consider the adherents of other gods to be deluded innocents at best, or ignorant fools at worst.
- 6 I have a weakness for the exotic beauty of the people of these lands.

INHERITOR

You are the heir to something of great value—not mere coin or wealth, but an object that has been entrusted to you and you alone. Your inheritance might have come directly to you from a member of your family, by right of birth, or it could have been left to you by a friend, a mentor, a teacher, or someone else important in your life. The revelation of your inheritance changed your life, and might have set you on the path to adventure, but it could also come with many dangers, including those who covet your gift and want to take it from you—by force, if need be.

Tool Proficiencies: Your choice of a gaming set or a musical instrument.

FEATURE: INHERITANCE

Choose or randomly determine your inheritance from among the possibilities in the table below. Work with your Dungeon Master to come up with details: Why is your inheritance so important, and what is its full story? You might prefer for the DM to invent these details as part of the game, allowing you to learn more about your inheritance as your character does.

The Dungeon Master is free to use your inheritance as a story hook, sending you on quests to learn more about its history or true nature, or confronting you with foes who want to claim it for themselves or prevent you from learning what you seek. The DM also determines the properties of your inheritance and how they figure into the item's history and importance. For instance, the object might be a minor magic item, or one that begins with a modest ability and increases in potency with the passage of time. Or, the true nature of your inheritance might not be apparent at first and is revealed only when certain conditions are met.

When you begin your adventuring career, you can decide whether to tell your companions about your in-
