the diviner Crowley intended for the deck never to be sold separately from the Book of Thoth And so heart full of elitist snobbery and sense of obligation to Crowley the author of this book set out to spoon feed this dense material to the masses without watering down its contents In the spirit of Crowley who sought to enlighten the world the author has added his own contribution to Crowleys legacy out of duty It was due to Crowleys belief in freedom of information during an era of politics and secrecy that the author was able to get his own hands on the gem of all spiritual writing the Book of Thoth **Tarot of Awakening** Amy M Wall,2010-07 There are many mistaken ideas about spiritual awakening One is that you must embrace eastern philosophies in order to achieve enlightenment This book is intended for serious students who want to achieve awakening or Initiation on a western path The western path called the Western Mystery Tradition has been walked by spiritual aspirants for millennia This well researched book focuses on two strands of the Western Mystery Tradition Kabbalah and Tarot to outline a modern perspective on these ancient traditions In addition to dispelling false ideas wishful thinking and foolish stereotypes it teaches us how to use individual Tarot cards as a means of staying in touch with what s really happening inside us as we change in response to the many challenges presented by the spiritual quest This book provides solid 21st century advice on how to deal with the personal real world issues that arise on the journey toward Initiation
