Lemuria, the Lost Continent of the Pacific Wishar Spenle Cervé,1982 **Lemuria, the Lost Continent of the Pacific** Wishar Spenle Cervé,1960 **Lemuria** Wishar S Cervé,2020-09-03 My purpose was to comply with the desires of the publishers in preparing and presenting an easily readable enjoyable and fascinating account of the lost Continent of Lemuria with all of its past history effects upon the races of man and ancient human incidents of life I hope therefore that this book will make the subject more popular and arouse further interest in the investigation of the hundreds of available sources of information still untouched by those who have spent their lifetime seeking for positive facts With this hope and with the further desire that what I have written may contribute to a better understanding of the development of the human individual in all of his physical mental spiritual and so called psychic qualities I offer this work W S C **Lemuria: the Lost Continent of the Pacific ... With a Special Chapter by Dr. James D. Ward. (Second Edition.)**. Wishar Spenle CERVÉ,1935 **Lemuria** Una Marcotte,2018-10-25 Before Atlantis there was Lemuria No one is certain as to when this civilization existed but an educated guess is around 300 000 BC It was a time when people began to live in communities and build shelters by the sea for water was very sacred to them The Lemurians were a highly spiritual people and practiced equality as it has never been practiced since Everyone was equal regardless of what labor they provided for the welfare and comfort of everyone else There was a Council of Elders wise men and women who offered advice and suggestions to those asking for help but even this group had no jurisdiction over anyone else in their village The Lemurians possessed a group mind where no individuality existed or was even thought about and where no one belonged to anyone else Even children did not belong to their mothers but to everyone residing in the community The concept of marriage and family simply did not exist No one owned anything either Land homes and even possessions belonged to everyone in the community It was also a matriarchal society where women were highly respected and had an equal voice with men Learning about their lifestyle and culture it quickly becomes apparent that modern humans would have a difficult time understanding the people of this ancient civilization Yet it is important for humans of today to learn about Lemuria as this shift in thinking in consciousness that is permeating the world is actually a return to this kind loving compassionate Lemurian energy The whole world is now slowly stepping up or ascending into this higher vibrational energy of love as exhibited by the earth s first civilization namely Lemuria **In Search of Lemuria** Mark Williams,2001 The lost continent of Lemuria the land of Mu is a place that history has nearly forgotten Yet it lives on in the mythology of Hindus and Australian Aborigines Polynesians and American Indians Its place is likewise secure beside Atlantis in the metaphysical speculations of Occult pioneers Madame Blavatsky and Edgar Cayce as well as New Age channelers and soothsayers *The Lost Continent of Mu* James Churchward,1965 *The Problem of Lemuria the Sunken Continent of the Pacific* Lewis Spence,1952 **Lemuria (Mu) The Mysteries of Khan Gu** Signet I. L. Y' Viavia: Daniel,2017-04-24 This is the Softbound version of Lemuria Mu The Mysteries of Khan Gu Black and
