## Leonard Woolf A Biography:

**Leonard Woolf** Victoria Glendinning, 2006-11-14 Publisher description      Leonard Woolf Victoria Glendinning, 2007  
Many people today know Leonard Woolf mainly through the surname of his wife Virginia or his role in supporting her through her mental illness depicted in films like *The Hours* Some critics see him as his wife's oppressor In Victoria Glendinning's biography for the first time we see the whole man As well as being a prominent member of the Bloomsbury group Leonard was a formidable figure in his own right first as an innovative civil administrator in Ceylon then as a writer leading light of the Fabian society and publisher of TS Eliot EM Forster Robert Graves Katherine Mansfield and of course Virginia Woolf He was interested in everything and knew everybody The achievement of Glendinning's book is to make its readers wish that they knew him too      *Leonard Woolf* Duncan Wilson, 1979      *Beginning Again* Leonard Woolf, 1975 The author's account of the events of World War I and also a description of the origin of the Bloomsbury Group the founding of the Hogarth Press and the author's marriage to Virginia Stephen To write this masterly account is a severe test of courage and honesty it raises the book to greatness The Nation Index photographs      **The Wise Virgins** Leonard Woolf, 2007-01-01  
A new edition of Leonard Woolf's satirical second novel which offers an intriguing group portrait of Leonard and Virginia Woolf and other members of the Bloomsbury Group *The Wise Virgins* 1914 Leonard Woolf's second novel was published two years after the author's marriage to Virginia Stephen and begun during their honeymoon The autobiographical elements of the book are well documented Its publication caused acute distress to Woolf's family Leonard's sister Bella urged him to bury the novel while his mother was shocked and mortified by unflattering portraits of herself and her neighbors Two weeks after reading the novel Virginia Woolf suffered the worst of her many breakdowns As a roman clef the novel holds considerable interest for its picture of Leonard and Virginia's courtship as well as its sketches of Vanessa Stephen and Clive Bell Virginia would later retell the story from a much different perspective in *Night and Day* But the novel offers the contemporary reader other rewards It remains a witty engaging satire about English society just before World War I and its conventions and prejudices In Harry Davis Woolf created a memorable Jewish antihero who rails against society's conventions but tragically finds himself unable to escape them Award winning biographer Victoria Glendinning contributes a foreword to this new paperback edition      Growing Leonard Woolf, 1962 Leonard Woolf aged twenty four went forth to help rule the British Empire He returned home to London at thirty one an older and wiser man Soon afterward he married Virginia Stephen Growing is the story of the years in between just before the growth of the Bloomsbury Group in London Dust jacket      **The Autobiography of Leonard Woolf** Leonard Woolf, 1975      *Sowing* Leonard Woolf, 1960      **A Marriage of True Minds** George Spater, Ian Macnaghten Parsons, 1977      Leonard Woolf Leonard Woolf, 1960      *Leonard and Virginia Woolf* Peter F.
