Leopard's Heart Kimberly a. Rogers, 2015-11-28 An assassination attempt on the American president threatens to expose the existence of Therians to the Human world Baran knows that the Fringe have become bold In a race to find the next assassin before he strikes Raina and Baran must travel from Washington D C to the Elven capital hidden in the Smokey Mountains Rising tensions between Therians who respect the centuries old alliance with the Elves and Fringe sympathizers who clamor to sever all ties between the two peoples make the case and Baran s relationship with Raina even more difficult to navigate Circumstances have forced them together but is it only duty that drives his actions Does Raina s heart belong to her old childhood sweetheart or is the Leopard s heart still to be won *Of a Mystical Portal and Evil Sorcerers* RJ Morrison, 2014-05-12 One brisk winters day seventeen year old Myriah Dawson is swept up from her favorite hangout and into a portal that transports her to the magical world of Magerei a world plagued by discrimination hatred and evil sorcerers bent on destroying everything good and claiming Magerei for their own Tasked by God to unite the prejudiced people against the sorcerers she soon meets up with friends both old and new who will aid her in her quest and she uncovers abilities she was unaware she possessed that will be vital to victory But this quest will not be easy and Myriah will find her path fraught with adversity She will have to fight against intense bigotry overcome heartbreaking betrayal and witness horrible massacres if she wishes to succeed Can Myriah end an age old hatred in time to unite a hostile people in a holy cause Can she let go of her own pride and trust solely on God for her victory And what happens when she learns that the people she is fighting for may very well be her own Will such knowledge prove to be for her benefit or for her destruction **The Compact Edition of the Oxford English Dictionary** Sir James Augustus Henry Murray, 1971 Micrographic reproduction of the 13 volume Oxford English dictionary published in 1933
