“Please Sir! / ‘Eyy Robert!” Don Roberts,2018-09-04 The book begins with an amusing account of the antics of a small boy who started school in 1939 In later years when he became a student teacher at the school he himself had attended his old sports master with whom he enjoyed a mutual respect told him that his name had been regarded by all his other teachers as a teacher swear word Attending a one teacher school in the bush when he was eight was such a revelation that he decided to be a teacher and from observation of what he liked and disliked gradually formulated how he would teach While student teaching at that same school he began

formalizing those ideas which he continued to modify over years of teaching He presents this philosophy in his book detailing the experiences that originally brought about his decisions and how he used these teaching principles in many testing teaching situations in farming communities large towns and on a Pacific island Expressed with sincerity and a gentle humor the book presents in story form a philosophy that is sound and provides much food for thought for present day teachers teachers in training and any parents who are interested in their children s education

York Times Bestselling Author of The Summer of Songbirds Perhaps the secrets of her mother s past in this tiny French town
hold the key to her own future Food critic Temp sta Luddington has always felt like the odd person out in her family ever
since she lost her beloved mother at the tender age of thirteen When her workaholic father passes fifteen years later Temp
sta is not surprised that the majority of the considerable family money will pass to her dutiful younger brother Wal Still she is
left a modest remembrance from her mother and for the first time Temp sta has a world of choices before her Lost in grief
and hoping to reconnect with her memories and her mother s past she uses the money to buy a ramshackle manor house in
Sainte Colombe a small village in Provence where her mother had grown up But she is greeted with more questions than
answers Her welcome especially by the town s stodgy mayor is cold at best and she finds herself wondering if the entire
experiment was a mistake Yet she stays stubbornly sticking it out slowly learning that her mother s legacy was more than just
a nest egg Through her mother and the village Temp sta learns the value of community and friendship the importance of self
confidence and the power of love and trust What s more she sees for herself that there is magic and beauty in the everyday
