complex rather than simple and that it was continually contested Finally it seeks to examine the impact of the Second World War on the memory of the First and to show how difficult it is to recapture the idealistic assumptions of a world that believed it had experienced the war to end all wars *Presbyterian Survey* ,1941 *Collections of the Kansas State Historical Society* Kansas State Historical Society,1902 **The United Presbyterian Magazine** ,1859 **Calvary Through the Years** Carol Green Wilson,1929 History of the Church which was founded in 1854 its buildings and locations its organizations a listing of its early members and officials and the program of the 75th anniversary celebration
