Ameher's No More Crumbs

Chronicle of a 4-D Woman Rising from Hate to Hope Ameher, 2014-04-29 It took discipline and practice for me soul body and spirit to be intertwined with the presence of the HOLY SPIRIT completing this 4 dimensional existence here enabling me to achieve this state of WISEMIND amidst trials and tribulations preparing me for greater things The Chakra as the Hindus call it is the centering of all these factors creating an implosion or explosion or quietness in spite of the surrounding circumstances and or experiences inflicted upon by ourselves or others. We wrestle not against flesh and blood but against principalities against powers against rulers of darkness of this world against spiritual wickedness in high places Ephesians 6 12 has been the theme and focus throughout this book Wrestling one thing after another but through it all I took to me the whole armor of God that I be able to withstand in the evil day and having done all to stand Standing therefore having my loins girt with truth and having on the breastplate of righteousness and my feet shod with the preparation of the gospel of peace above all taking the shield of faith wherewith I am able to quench all the fiery darts of the wicked And taking the helmet of salvation and the sword of the Spirit which is the word of God praying always with all prayer and supplication in the Spirit and watching thereunto with all perseverance and supplication for all saints Ephesians 6 13 18 Its a story of an immigrant woman finding her place in society and maneuvering old ways of thinking that created enslavement i e capitalism without conscience Her transition from immigrant slave to heir owning a piece of the pie and the share of the American Dream is inspiring yet provoking to young people especially those of immigrant extractions and pedigree who find themselves giving up on their dreams due to hardships and challenges of being termed the immigrant Man At The Cross Rev. Bagan Tewa, 2012-08-27 MAN AT THE CROSS seeks simply to awaken the feminine intuitive side of the human race which seems to be dormant in our male dominated society because it comes to the conclusion that if we are to learn lessons from the past in order to affect much needed change looking at the structure of ancient societies that were peaceful and in harmony with God and nature it was the woman who was at the head And if she was not at the head she had equal power in these societies. This book does this through an honest soul searching approach to looking at our past history. It is prophetic profound and insightful in its reach from the United States Europe the Caribbean and everywhere else in between The reader is sure to be engaged as the author moves naturally to and from the voice of a layman to prophetic wisdom as Reverend speaking here from this pulpit which compels all to listen and pay attention Women Rising Megan Dalla-Camina, 2024-10-07 It s time to create a future where feminine power and leadership is celebrated It s time for a radical awakening and a revolution It s time for women to rise In Women Rising you ll discover how to recognise and resist the very real forces of power that limit how you work and live as a woman Are you tired of being asked to lean in fit in perform and conform The truth is that women today continue to be constrained by pervasive ideas about how we should act and behave To break free we need to understand the forces that limit our potential Those forces are external and internal without and within and they sabotage the very success we work so hard for In Women Rising author and award winning empowerment
