

Praise for  
**LET'S TALK MONEY**

'Savings and investments are two different things. People who know how to save sometimes do not know how to invest, why to invest, where to invest, etc. Monika Halan has been a sane voice in Indian investment publication for over two decades. She has been a very popular and respected columnist for her views on investments which a common man can understand.

I recommend all to read this book.'

**Ashish Chauhan, MD and CEO, Bombay Stock Exchange**

'Monika talks "money" to the readers in a language that is simple and easy to understand. The book focuses on the essential ways to understand what money does for us and what we need to do to ensure a balance between present needs and future security.

A must-read for the young and old alike.'

**C.B. Bhave, chairman, Indian Institute for Human Settlements,  
and former chairman, SEBI**

'Conversational in style, and comprehensive in content, Monika Halan's *Let's Talk Money* is just what the doctor ordered. Managing one's money need not be a nightmare, even in a world where product-pushers, planners and, on occasion, regulatory action ensure that you and your money are soon parted.

This should be on the top of any must-read list.'

**M. Damodaran, chairman, Excellence Enablers, and former  
chairman, SEBI, UTI and IDBI**

'In the world of personal finance, Monika Halan stands out as a voice of enormous knowledge combined with integrity. If you wish to manage your money well and become wealthy, this book is a must-read for you.'

**Vivek Law, founder, CEO & editor-in-chief, The MoneyMile**
