Slacking Adam Kissel, Rachel Alexander Cambre, Madison Marino Doan, 2025-05-06 Prestige no longer ensures substance at Ivy League schools students must navigate a maze of shallow politicized courses to uncover the rare gems of a classical education exposing the need for academic renewal This book is a banquet of the absurdities that Ivy League universities serve up to their students under the rubric of general education Anyone who wonders how the graduates of America s elite institutions come by their jaundiced view of our country should start here The few who refuse to slack are limited to the hard sciences and the few remaining excellent courses in the humanities Peter Wood President National Association of Scholars Ivy League universities can no
