Aventures du dernier Abencerage. ed. by J.D. Bruner François René vicomte de Chateaubriand, 1903

Chateaubriand's Le Dernier Abencérage Pierre H. Dubé, 1989 Most scholarship dealing with the Abenc rage from 1926 until the 1970 s dealt with a detailed investigation of its genesis As a consequence very little work was carried out of a thematic structural or semiotic nature This study is the first full length study of the Abenc rage in English The first part constitutes a synthesis and overview of all of the research which has been carried out on the history of the Abenc rage providing a useful context for literary analysis The second part offers literary interpretations of this beautifully crafted work of fiction
