Les Miserables: Viewing Questions

1. Why was Jean Valjean in prison?

He stole some bread to feed his sister's sick son

2. How long was his original sentence? How long was he actually in jail for, and why was his sentence extended?

His original sentence was 5 years. It was extended by 14 years for a total of 19 years served, because he kept trying to escape

3. What was his prisoner number? 24601

4. How was he treated after he was released?

He was a social pariah. He could not find work, or even a place to stay. He was shunned everywhere he went. Children threw rocks at him, and he was beaten in the streets.

5. Where does he find refuge, and what happens there?

At a convent/monastery. A priest takes him in. Valjean steals all the silver in the night, and after he is caught by the police, the priest tells them that the silver was all gifts, so that Valjean goes free. He also gives him the silver candlesticks in addition to everything else he had stolen.

6. Where does Valjean first meet Fantine?

She is a worker in his factory, doing sewing

7. What happens to Fantine after she is dismissed from her job at the factory?

She sells her hair for 10 francs, a tooth for 20 francs, and finally turns to prostitution so that she can send money for Cosette

8. What happens when Valjean meets Fantine for the second time?

She is almost arrested by Javert for 'assaulting' a man on the street. Valjean intercedes

9. Javert delivers some news to Valjean. What is it? What difficulties does this raise for Valjean? What does he do?

Javert tells Valjean that he had mistakenly reported to his superiors that Valjean had been found, but now another man has been arrested as Valjean and will be sentenced. Valjean is conflicted because if he tells the truth then he will go back to prison, but if he stays silent then an innocent man will pay for his crimes. He goes to the court and tells the truth.
