**Journal of Character Education** Jacques S. Benninga, Marvin W Berkowitz, 2016-06-01 The

Journal of Character Education is the only professional journal in education devoted to character education. It is designed to cover the field from the latest research to applied best practices. We include original research reports, editorials, and conceptual articles by the best minds in our field; reviews of latest books; ideas and examples of the integration with character education of socio-emotional learning and other relevant strategies; and manuscripts by educators that describe best practices in teaching and learning related to character education. The Journal of Character Education has for over a decade been the sole scholarly journal focused on research, theory, measurement, and practice of character education. This issue includes four empirical articles, a practitioner's voice, and a book review. Topics covered in this issue include different approaches to character education in the classroom, e.g., using literature, narrative writing, how teachers promote character education, and how coaches may promote character development.

*How to Achieve Common Core with Tech* Ask a Tech Teacher, 2013-06-04, 160 pages, 20 projects over 114 Common Core standards for 9 grades K-8. How to Achieve Common Core with Tech: the Math Strand is part of a five-volume series that focuses on using technology to meet Common Core standards in Language, Writing, Reading, Speaking, Listening, and Math.

*Bridging Technology and Literacy* Amy Hutchison, Jamie Colwell, 2015-06-18. This book provides a practical understanding of digital literacy and information on integrating digital technology into English Language Arts and literacy instruction at the K-6 grade levels. Cross-disciplinary connections are also provided to bridge literacy and language arts and other content areas for a more integrated approach to literacy instruction. This text not only introduces readers to various types of digital tools and resources but also provides practical approaches for using digital tools in instruction to help students read and write multi-modal digital texts. Each chapter contains key elements that prompt brainstorming about digital tools, connections to the Common Core State Standards in Language Arts, and resources for teachers to plan instruction that incorporates digital tools. Comprehensive sample lesson plans that are aligned to the Common Core State Standards and English Language Proficiency Standards are provided throughout the text. Information about digital citizenship, digital copyright, lesson planning, and long-range planning is also provided.

*Assessing the Common Core: What's Gone Wrong--And How to Get Back on Track* Robert C. Calfee, Kathleen M. Wilson, 2016-02-02. From distinguished educators, this book imagines what our schools could look like if an authentic vision of the Common Core State Standards (CCSS) were put in place and thoughtfully critiques how and why implementation has faltered. The authors outline a curriculum framework that focuses on student-based inquiry and the use of formative assessment to monitor and guide student learning. They provide workable, innovative alternatives to the packaged instructional programs and summative tests that have come to be associated with the English language arts (ELA) standards. Vignettes of diverse schools and districts highlight a range of successful approaches to making the CCSS work.
