**Quicklet on Jennifer L. Scott's Lessons From Madame Chic (CliffsNotes-like Book Summary)** Evelyn Dumonte, 2012-02-29 ABOUT THE BOOK I learned many

lessons from my time in Paris but the most profound lesson I learned was to lead a life of passion Every detail of life can become exceptional if you allow it to be so You hold the key When filled with laughter friendship art intellectual endeavors and a certain verve life can be extraordinary You should know this book is a quick read Before you can really settle in to figure out whether you disagree with it or love it you re at acknowledgments and find yourself thoroughly entertained At a modest 146 pages this work is more reminiscent of a lighthearted diary than a manual tightly packed with style tips It is no surprise then that the book originated as a blog entry on The Daily Connoisseur Jennifer L Scott s beauty and lifestyle blog A crossover between a memoir a humor column and fly on the wall reporting Lessons from Madame Chic The Top 20 Things I Learned While Living in Paris successfully provides solutions on how to incorporate the best of Parisian wisdom into our daily lives As a University of Southern California student with understanding parents read who agreed to pay for the trip and a personal sense of adventure read a very limited grasp of the French language Jennifer L Scott decides to take a semester abroad to expand her cultural horizons beyond California s laid back attitude Her time spent in Paris teaches her that a little formality in our daily lives can reignite pleasure in performing even the simplest of tasks i e having meals at the same time every day or dressing appropriately for bed every night MEET THE AUTHOR Evelyn Dumonte hails from a very tiny country of Estonia you ll find her traveling reading participating in general debauchery and making new friends She has several degrees and some accolades but she d much rather tell you about the time she smuggled a kitten on an airplane out of Russia EXCERPT FROM THE BOOK The third part of the book How to Live Well engages the reader in a more introspected discussion of what lessons the author took away from her semester abroad Scott encourages the audience to live every day as if it is special in a formal yet festive way She also harbors on the fact that intellect means far more in the French culture than physical beauty and in order to keep one s mind sharp we must always seek out knowledge through the acts of reading going to museums exploring cultures through travel enjoying foreign cinema and sharing our experiences with friends and family through entertaining at home Due to the book s unconventional use of narrative it is better read in chapters rather than in one sitting The prose is wonderfully written if at times giving away the fact that this is the author s first major work Most importantly throughout the entire manuscript Lessons from Madame Chic The Top 20 Things I Learned While Living in Paris urges us to Live Passionately a relevant advice across personal and geographical borders Buy a copy to keep reading

new Paris themed essays written by some of the biggest names in women's fiction including Paula McLain, Therese Anne Fowler, Maggie Shipstead and Lauren Willig, edited by Eleanor Brown, the New York Times bestselling author of *The Weird Sisters* and *The Light of Paris*. My time in Paris says New York Times bestselling author Paula McLain, *The Paris Wife* was like no one else's ever. For each of the eighteen bestselling authors in this warm, inspiring and charming collection of personal essays on the City of Light, nothing could be more true. While all of the women writers featured here have written books connected to Paris, their personal stories of the city are wildly different. Meg Waite Clayton, *The Race for Paris* and M J Rose, *The Book of Lost Fragrances*, share the romantic secrets that have made Paris the destination for lovers for hundreds of years. Susan Vreeland, *The Girl in Hyacinth Blue*, and J Courtney Sullivan, *The Engagements*, peek behind the stereotype of snobbish Parisians to show us the genuine kindness of real people. From book club favorites Paula McLain, Therese Anne Fowler, Z A Novel of Zelda Fitzgerald and anthology editor Eleanor Brown, *The Light of Paris*, to mystery writer Cara Black, *Murder in the Marais*, historical author Lauren Willig, *The Secret History of the Pink Carnation*, and memoirist Julie Powell, *Julie and Julia*, these Parisian memoirs range from laugh out loud funny to wistfully romantic to thoughtfully somber and reflective. Perfect for armchair travelers and veterans of Parisian pilgrimages alike, readers will delight in these brand new tales from their most beloved authors.

**Charm Offensive** Kelly Ricciardi Colvin, 2023-03-30 In the aftermath of the Second World War, the French government cultivated images of sensual and sophisticated white French women in an attempt to reestablish its global image as a great nation. They promoted the beauty, sexual appeal and general allure of French women, all while shrinking the boundaries of what was considered beautiful. *Charm Offensive* explores how this elevation of French femininity created problems on both sides of the equation: the pressure on French women to conform to an exacting physical standard was immense, while the inability of anyone else to access that standard resulted in a sense of failure. Drawing on cultural figures like Air France hostesses, tourism workers and celebrities such as Brigitte Bardot, *Charm Offensive* offers an innovative understanding of a tumultuous time of decolonization.

**Delft Blue to Denim Blue** Anneke Smelik, 2017-04-06 Contemporary fashion in the Netherlands shows a unique mix of playful individualism, conceptual strength and organisational innovation. *Delft Blue to Denim Blue* maps the landscape of Dutch fashion in all its rich variety and complexity. Luxuriously illustrated in colour, the book uncovers the cultural roots of Dutch fashion in a globalized context. The authors debunk myths surrounding Dutch fashion, dig up new facts and stories and explore the creative relation of fashion design to cultural heritage. Written by experts in the field, *Delft Blue to Denim Blue* gives a rich overview of designers ranging from G Star jeans and affordable retailer C A to a savvy brand like Vanilia and from the famous designer duo Viktor Rolf to a futuristic designer like Iris van Herpen. The book assesses the diversity of Dutch fashion designers, firms and brands in their historical and cultural contexts.

*Keeping Blessing Hill* Joyce Sackett, 2018-07-03 *Keeping Blessing Hill* is the story of how two very flawed people built a welcoming home out of a dilapidated barn, turned a wildly overgrown hill into a garden and lived out a

commitment to honor Christ in every aspect of their lives by opening their hearts to whatever God wanted to do It turned out what God had in mind was keeping keeping a house and garden keeping an open door keeping a strong marriage and keeping devotion to those things that are eternal Meditations about joy and glory and wonder mingle with practical household tips recipes and amusing stories about a family that knows how to keep life jolly as readers gain a fresh attentiveness to and perspective on God nature and relationships

**If Mama Ain't Happy** Rachel Norman, 2022-10-11 Are you weary Stressed Depressed anxious and annoyed And to top it all off do you feel guilty for feeling bad Rachel Norman gets you mama She knows how much you love your kids And how day after day you put your family s needs first which means your own needs come last Or don t come at all Rachel used to be a mom who spent her days weary anxious and guilt laden She had five kids in five years lived on three different continents and then was blindsided by a devastating health diagnosis Neglecting her own physical spiritual mental and emotional needs for so long in an effort to be a selfless mother had left her utterly depleted And physically unwell Then she began asking a question she d never considered before Could it be that taking good care of myself is not actually selfish but maybe just maybe something a responsible adult does In this countercultural book Rachel takes some weight off your shoulders by offering hands on rubber meets the road strategies to cultivate a life you aren t trying to constantly escape teaching you to discover and claim your own limits and boundaries so you can be a calm resilient peaceful mother showing you how to shape your daily life and values around the few things that really matter and how to let the rest go If mama ain t happy ain t nobody happy But when mama is at peace Everyone benefits

**Radiant** Tess Whitehurst, 2024-06-04 Radiant offers inspiration journal prompts practical actions and a touch of magic to uplift readers embarking on their midlife adventure

**Face Value** Autumn Whitefield-Madrano, 2016-06-21 A fascinating look The Boston Globe at how we think and talk about beauty in the twenty first century and the unexpected and often positive way that beauty shapes our lives For decades we've thought of beauty as a negative influence in our lives We feel insecure in the face of retouched impossibly perfect images We worry primping and preening are a distraction and a trap But in Face Value journalist Autumn Whitefield-Madrano dispels this one-sided beauty myth and examines the relationship between appearance and science social media sex friendship language and advertising to show how beauty actually affects us day to day Through meticulous research and interviews with dozens of women across all walks of life she reveals surprising findings like wearing makeup can actually relax you you can convince people you're better looking just by tweaking your personality and the ways beauty can be a powerful tool of connection among women Provocative and empowering it celebrates a relaxed brand of feminism one in which it's equally okay to feel fierce in your fake eyelashes and confident when going makeup free

Face Value is an immensely valuable work one that seamlessly and impressively combines the tropes of the academic lit review and the memoir and the work of cultural criticism into an engaging and timely follow up to *The Beauty Myth* The Atlantic

*Soft Power beyond the Nation* Sylvia Dummer Scheel, Charlotte Faucher, Camila Gatica Mizala, 2024-11-01 An innovative interdisciplinary perspective on soft power in history moving beyond the framework of the nation state Starting in the nineteenth century as world events became more interconnected than ever and as public opinion began to weigh on democratic governments nations employed new communication strategies and propaganda to gain global influence and prestige Soft power strategies were used by different nation states and by supranational and nonstate actors that wanted to gain influence on the international stage *Soft Power Beyond the Nation* takes a distinct approach to the study of soft power in history moving beyond the framework of the nation state The volume editors use soft power to refer to the processes through which persuasion the search for influence and power and public opinion converge in the international arena The book is organized on the basis of three central themes the transnational circulation of knowledge and strategies of public diplomacy across borders collaboration of intermediary actors of soft power whose interests did not always coincide with those of the state and the role played by nonnational identities such as gender and race in soft power *Soft Power Beyond the Nation* enriches the historiographical study of soft power broadening its temporal and spatial scope and refreshing it with new perspectives on transnationalism gender and race This book will be of interest to scholars and students of history and international relations
