Lessons From The Carpenter An Apprentice Learns From Jesus:

Lessons from the Carpenter H. Michael Brewer, 2010-06-09 Before Jesus was a teacher and a healer before his life changed the world he was a carpenter Woodworking was his occupation for most of his time on earth and the years he spent in Joseph's shop clearly shaped his message and ministry Now by gaining an understanding of first century carpentry you can revolutionize your faith through the discovery of surprising insights into Christ's life The ministry of Jesus was spiritual carpentry He rebuilt broken people and constructed a new world His workmanship still amazes all who put themselves in his hands and his principles for constructing a solid life are as relevant today as they were two thousand years ago In *Lessons from the Carpenter* you can sit as an apprentice at the feet of this amazing master carpenter And learn firsthand how he builds and rebuilds beautiful lives meant to last forever *The Way of Discipleship* Anthony J. Gittins, 2016 Vatican II's famous declaration that the church on earth is by its very nature missionary has often been taken out of context and used to support all manner of church initiatives But the conclusion of the statement since it has its origin in the mission of the Son and the Holy Spirit is of monumental importance In *The Way of Discipleship* theologian Anthony Gittins describes the eternal mission of the Trinity historically brought down to earth in the ministry of Jesus and then continued to the ends of the earth by those called and sent as disciples throughout future generations Gittins explains that Christian discipleship must be the living out of Jesus' own example in many different times and places He encourages people of all ages to follow the invitation of Jesus to be missionary disciples *The Way of Discipleship* explores several New Testament examples of Jesus' call and commissioning distills the principles involved and then recontextualizes the stories so that they pose a direct challenge to disciples today In this way Gittins builds up a picture both of the Way of Jesus himself and of the way today's disciples can loyally follow his call to mission ***Jesus, the Carpenter of Nazareth*** Layman, Robert Bird, 1890 *Introduction to Christian Education and Formation* Ronald T. Habermas, 2009-05-26 A bold and unique hybrid among resources for Christian educators students and pastoral staff this enterprising book blends the voices of a single author and ten contributing experts into a global conversation on Christian formation and nurture It effortlessly transcends all ages and all cultures as it positions Christianity vibrantly alive from cradle to grave This introductory text on Christian education formation includes extensive graphical illustrations and accompanying online appendixes providing a wealth of resources not only to be used in the classroom but to be lived out in the life of the church in the world ***The Practice of Remembering*** Casey Tygrett, 2023-12-05 How we hold and carry our memories good and bad is a part of what forms us spiritually In this way we have a common bond with the people of Scripture who also had a sensory life Exploring the power of memory Casey Tygrett offers biblical texts and practices to guide us in bringing our memories to God for spiritual transformation *Gospel Portraits* K. Rex Butts, 2022-05-17 Many people realize that the cultural landscape of North America has shifted significantly With such changes new challenges for how churches live as a proclamation of the gospel have and continue to emerge These

challenges are related to the church's participation in the mission of God and particularly how local churches live faithfully to God while remaining relevant to such challenges. Because Scripture is revered as God's word, this matter also pertains to the way churches read Scripture since the Bible does shape how churches embody the gospel. *Gospel Portraits* addresses the intersection of mission and hermeneutics for churches within their local contexts. Believing the gospel calls the church to follow Jesus and bear witness to the kingdom of God, this book proposes that churches should read the Bible as a Christ-centered and kingdom-oriented narrative. This reading of Scripture allows churches to reimagine how they might embody the gospel within their local contexts. Discerning what a contextual embodiment of the gospel involves, churches portray God's new creation in ways that are coherent with the biblical story and relevant to their local context. In doing so, churches live as Christ-formed and Spirit-led communities portraying the gospel.

1 and 2 Thessalonians John Byron, 2014-10-07. *Understand What Scripture Says and How To Live It Today*. A new commentary for today's world. The Story of God Bible Commentary explains and illuminates each passage of Scripture in light of the Bible's grand story. The first commentary series to do so, SBC offers a clear and compelling exposition of biblical texts guiding everyday readers in how to creatively and faithfully live out the Bible in their own contexts. Its story-centric approach is ideal for pastors, students, Sunday school teachers, and laypeople alike. Each volume employs three main, easy-to-use sections designed to help readers live out God's story: **LISTEN** to the Story (includes complete NIV text with references to other texts at work in each passage, encouraging the reader to hear it within the Bible's grand story), **EXPLAIN** the Story (explores and illuminates each text as embedded in its canonical and historical setting), **LIVE** the Story (reflects on how each text can be lived today and includes contemporary stories and illustrations to aid preachers, teachers, and students).

1 2 Thessalonians Paul's letters to the Thessalonians hinge thematically on the ongoing need for them to put their hope in God. Like us, the Thessalonians were living in difficult circumstances, living in the tension between death and the promise of Jesus' final return and triumph. In between, living requires daily hope, and Paul infuses his letters with hope without overlooking the challenges of the day. Edited by Scot McKnight and Tremper Longman III and written by a number of top-notch theologians, the Story of God Bible Commentary series will bring relevant, balanced, and clear-minded theological insight to any biblical education or ministry.
