David, D.D.,2020-07-10 This book takes you back in time as three characters Mary Jesus and Peter narrate their stories about people places and events that mark the beginnings of Christianity It features a wealth of perspectives drawn from a literary rather than a literal take on the Sacred Scriptures As an exercise in Exegesis this book offers a seamless blending of historical facts with what may be considered as fruits of the author's prayerful imagination

Understanding Matthew - Using Semitic Bible Study Methods Michael Harvey Koplitz, This commentary was researched and written using Semitic Bible Study Methods Aramaic the language Yeshua spoke and the culture of Yeshua's day These methods were initially developed by the Sage Hillel over 2000 years ago augmented and the author Semitic Bible study methods are based on asking questions about the Scripture examining the language and culture of that day This is a strange idea for church people because the Church teaches that only the Church can interpret Scripture This is not true God wants us to ask questions because Scripture's meaning is as deep as God and God is infinite *Thirteen To Thirty* BRIJL.K.T., This book is a humble attempt to showcase a complete picture of the life and death of Jesus including a third eye speculation about the missing years of Him The depth of his short but meaningful life and the impact of His sacrifice which brought the once condemned cross of execution to the center stage as the symbol of salvation is beyond anybody's conception Jesus became the redeemer of the world His death was not the end but the beginning The Pre-Christian Teachings of Yeshua Lewis Keizer, M.Div., Ph.d.,2015-05-31 All of the extant authentic sayings and teachings of Yeshua remembered in the earliest oral Jesus traditions and collections compiled by his Jewish disciples A.D. 30-50 before they were rendered into Greek misunderstood and Christianized in the later Gospels Translated in terms of the original Hebrew Aramaic vocabulary and idioms used by Yeshua Explained in the context of Second Temple messianic haggadah Merkabah prophetic and wisdom traditions Organized and presented as a coherent body of exquisite spiritual teaching that was lost and forgotten in Christianity **His Name Is Yeshua** Leo Vanderploeg,2025-03-31 In the West most of us Christians have grown up using names like Jesus Old Testament New Testament and the Law without realizing the real history behind these titles Did you know that the name Jesus is less than four hundred years old and has no meaning In what climate did this non Jewish name appear in church history Did you know that the Old New Testament division was created by a church heretic who hated the Old Testament We have also likely been raised with a subtle antisemitism beginning with Bible schools and seminaries that brush off the importance of the Hebrew language of studying the language for the layperson and the importance of names in the Bible Often there is a prejudice against rabbinic thinking and commentary of God's Word So if we have a library of books

about the Scriptures we may have a disproportionate number of commentaries written by non Jews I've met enough pastors who only had one Jewish commentary if any As we are fed by very what I call Greekish thinking I've even met people who were upset to find out Jesus was a Jew and his real name was Yeshua Have you discovered that the New Testament though written in Greek is grounded in Hebrew thought Did we forget which people group gave us the Scriptures Many leaders of the church do not even know the place or role of the Jews in the end times as they believe they have no importance at all anymore Did this lack of knowledge have anything to do with the holocaust This book may be instrumental for today's church that it wakes up to some fundamental truths that we never knew or forgot May this book be a blessing to you Shalom Leo

Yeshua Lewis Keizer, 2012-11 My fictional biography of Jesus is designed to introduce readers to the forgotten world of Jewish Messianic Kabbalistic prophetic wisdom and Merkabah mysticism that was known to the Jewish disciples of Yeshua but completely lost to emerging gentile Christianity It provides a simple non academic way for readers to understand what only profound academic study can reveal and illuminates the authentic historical teachings and probable spiritual practices of the Master Yeshua

Who Do Men Say That I Am? Rex Bundy, 2022-12-28 Rex Bundy is a kabbalist and teacher in Southern Indiana and can be reached at Temple777 hotmail com Adherence to the Old Testament by Christians and the insistence that the entire Bible is literal fact is essential in order to validate the early Church's claim of Jesus divinity This claim was heatedly debated among early Christians and rejected by Jews who possessed unaltered and correctly translated scriptures The Council of Nicaea 325 A D purged any writings that expressed doubts concerning Jesus origins The four narratives of the New Testament that were accepted were not written by any of his disciples nor anyone who ever met him Subsequently who Yeshua was and what he taught can never in truth be known This work of Biblical fiction is based upon that premise and the philosophy contained in The One Tree which is included here [Israel's Messiah and the People of God](#)

Mark S Kinzer, 2012-04-26 Israel's Messiah and the People of God presents a rich and diverse selection of essays by theologian Mark Kinzer whose work constitutes a pioneering step in Messianic Jewish theology Including several pieces never before published this collection illuminates Kinzer's thought on topics such as Oral Torah Jewish prayer eschatology soteriology and Messianic Jewish Catholic dialogue This volume offers the reader numerous portals into the vision of Messianic Judaism offered in Kinzer's Postmissionary Messianic Judaism 2005 **These Things You Should Have Done**

Paul Torason, 2017-11-16 Did Jesus sin Or was Jesus the only one to ever follow God's Law perfectly and not sin If you believe Jesus was a perfect keeper of God's Law then this book will intrigue you and challenge your beliefs about the Bible That's because most New Testament doctrine teaches how Jesus violated the Sabbath declared all foods clean waived away the Law against adultery and violated many other Old Testament commands How can that be Is Jesus a sinner or is man made doctrine and interpretation wrong We believe it is the latter Read this book and discover how Jesus did indeed keep the Law perfectly Come let us reason together and search the scriptures daily to see if these things are so *The Scroll of the Gospel*
