(Albert Edward) Cliffe,1967 Touching God Brad Tyndall,2014-03 The author takes you on a journey to far reaching corners of the world where he drinks tea with loving Sudanese Muslims prays in ancient Coptic churches and whirls with Sufi dervishes in the desert In seeking the mystical in extraordinary places he discovers that an intimate relationship with God can be found in known religious practices The key is not the practice itself but the role of the mind and the heart With the right intention and contemplative approach the religious practice unveils an attentive and loving God The author draws upon Rumi and Hafez in Islam and Saint Teresa of Avila and Thomas Merton in Christianity and many others to discuss the fundamental principles for embracing the Divine By distilling the basic tenets and practices of Islam and Christianity he finds they both hold similar mystical treasures Learn new and ancient methods for meditation prayer chanting prayer beads and pilgrimages Closely examine the Koran s incredible poetry and beauty and gain insight into how it has brought millions to God Learn about lectio divina the ancient technique of listening to God s personal communication with you through the Bible The author provides step by step instructions for you to begin to use these mystical tools By the end of the book you ll have taken your own journey into the heart of both Islam and Christianity and found Love **Living the Victorious Life** Mozart Dor,2016-08-29 Its not how well an athlete starts a race but how well he finishes it This life is a race whether we like it or not and this book will not only help you jumpstart your Christian walk but will inspire you to finish it victoriously Living the Victorious Life is an exposition and application of Abrahams faith walk with God for the twenty first century Christian and minister Living the Victorious Life is a motivational book that seeks to help new believers develop a personal relationship with God If you are a matured Christian this book will give you a step by step approach to holding on to your faith while giving you hope and the pertinent tools to deepen your communion with God *Archangel Raphael* Mary LaSota, **A New Vision for Missions** William Lawrence Svelmoe,2008-10-12 A deep biography of the pioneering missionary William Cameron Townsend **Less Than Conquerors** Doug Frank,2009-08-01 Although evangelicals enjoyed respect and leadership in American society in the decades before the Civil War their fortunes declined precipitately in the wake of the industrialism modernism and secularism of the next half century But the 1920s evangelicals felt like an embattled minority within a largely unbelieving culture and perceived that history was very much out of their control Frank examines the spiritual significance of these events by placing them against a biblical understanding of the gospel He sees in the confidence and self congratulation of the turn of the century evangelicals a portrait of the spiritually rich of the Bible who must lose their riches before they can come to know

God truly Harmful uses of the gospel are explored through dispensational premillennialism the victorious life theology and the revivalism of Billy Sunday Altogether Less Than Conquerors is a call to replace the blurred and self serving gospel of a besieged subculture with the genuine gospel of Jesus Christ **Let Go and Let God** ,1951 **Breakforth and Shine: Simple Steps to help you break forth into life!** Debra Pitt Davis,2010-04-07 This book will jumpstart you into your new life You know the one that exists on the inside of you already You ll learn that in order to receive anything that God has promised you you must believe and have faith that a thing is so especially in Him The old man that once existed inside of you must die so the new man can live Watch work and see before you know it you ll be walking in your new kind of life your dream life It begins in your mind emotions and mouth so use the tools God has given you and become a light bearer for others There is a purpose in your situations God can be glorified in them all when you do it His way So get ready to bring some glory to the name of the lord Just do it and be blessed **BREAK FORTH Hang On, Let Go** Frank Viola,2021 Written from the pit of numerous soul piercing adversities in the author s own life In this volume he draws from the insights he gleaned from the Lord friends and writers during his darkest days The wisdom contained in this volume became the bread and butter the author relied on helping him to be developed by his trials rather than destroyed by them **Simply Victorious for Life** Jennifer Workman,2018-10-01 In our world filled with unending crime death relationship issues and despair Jennifer Workman incorporates a plethora of inspirational articles to inspire and spiritually empower every reader that no matter what they are not alone in their struggles because God is open and receptive to their cries for help In the book Jennifer showcases concrete biblical citations to highlight to the readers the importance of understanding God s word and how to make it applicable to their daily life and struggles This book compassionately addresses from a personal practical biblical and theological standpoint the questions that we all as people need answers to as they relate to prayer faith spirituality and relationship with God Why is prayer important and how do we effectively apply it to our daily lives Positive verses Negative Declarations and what long term affects do they have on our lives How do we from a biblical standpoint fully submit ourselves to God s divine will and purpose for our lives What ways should we exemplify faith and trust in God How can we come alongside someone who is hurting or who is having a crisis of faith in difficult times How do we best prioritize our time wisely and utilize it for fulfilling God s plan for our lives Let Go and Let God Albert Edward Cliffe,1951

Satan Is Alive and Well on Planet Earth Hal Lindsey,C. C. Carlson,Carole C. Carlson,1972-12 Analysis of the current interest in supernatural experiences and a strategy for combatting the forces of evil **It's a Good Day for Grace** BJ Funk,2020-03-06 It s a Good Day for Grace brings grace into everyday life into those places where life hurts wounds and challenges As the unconditional love and favor of God Grace comes into our hurts and wounds and brings peace calmness and encouragement Grace is love and is available for you no matter what you are facing None of us deserve what grace does for us but all of us benefit from love that is so kind and loving so nonjudgmental and so accepting Grace fills our lives today

with new hope and with the promise of more grace tomorrow **No Quick Fix** Andrew David Naselli, 2017-08-30 Every Christian struggles with sin and wants to be victorious in the fight Higher life theology also known as Keswick theology offers a quick fix for this struggle It teaches that there are two categories of Christians those who are merely saved and those who have really surrendered to Christ Those who have Jesus as their Savior alone and those who have him as their Master as well If Christians can simply let go and let God they can be free of struggling with sin and brought to that higher level of spiritual life What could be wrong with that A lot it turns out In No Quick Fix a shorter and more accessible version of his book Let Go and Let God Naselli critiques higher life theology from a biblical perspective He shows that it leads not to freedom but to frustration because it promises something it has no power to deliver Along the way he tells the story of where higher life theology came from describes its characteristics and compares it to what the Bible really says about how we overcome sin and become more like Christ **Victorious Living** E. Stanley Jones, 2014-10-21 E Stanley Jones wrote Victorious Living in 1936 to respond to inquirers who had come to him morally and spiritually defeated They were inwardly beaten thus outwardly ineffective The book responds with individual and social emphases and goes step by step as if on a ladder to work through the pressing questions of the inner life and how it extends outward How do we achieve a life evidencing the peace that passes understanding even in ourselves let alone passing it on What makes the difference between ordinary living and extraordinary victorious living How can we build a new inner strength that shines through in our outward character and relationships Our own efforts to rise above are ineffective but by applying the power of God s Word we can close the gap between our reality and our beliefs Each daily reading offers essential truths and eternal principles keys to victorious living in the circumstances we encounter every day Now this vibrant work is making a long deserved comeback with a new foreword by Leonard Sweet **The Victorious Life** Denise Obidowski, 2008-03 Delve into the advanced spiritual path with the author as she candidly takes you along her personal journey Read about her interactions with Beings of Light as well as Highest Self connections Explore universal laws and principles as well as the illusory nature of our world through her experiences and meanderings Post reflections give the reader an opportunity to apply concepts to their own life Topics range from a variety of subjects and cover the following Service as an alignment with Self Surrendering to what truly is Meditations of a higher order Looking beyond the Law of Attraction Our collective dream Opening to the Presence of the Highest Self Working with the Beings of Light Putting on the garments of mastery
