her comedic brilliance is served up in abundance in this book As author and humorist Roy Blount Jr notes Paula Poundstone deserves to be happy Nobody deserves to be this funny Comical Vacations Book 1 Maureen Reil,2015-03-05 Comical Vacations 1 Three Book Bundle Contents The Finch Family Short Break Book 0 Prequel This British funny fiction is the prequel in the Comical Vacations series that takes place the year of Kitty s divorce and before the first Finch Family Holiday kicks off We find Kitty Finch trying to get to grips with life without Mason after seeking a friend on line to share her time and troubles with but he turns out to be more trouble than he is worth When things get weird she tries to end their friendship only he is not having it so she persuades her sister in law that she needs a short break However it does not remain just the three of them going on an Amsterdam adventure when other Finch family members also wangle a ticket to ride How will she handle the fact that her ex husband is coming along too and who is the mystery woman with him It was not all fun and games for Kitty when she discovers that things are not going her way no matter how hard she tries to deal with stuff that could prevent her enjoyment and talk about unrequited love for it is catching on Especially when Kitty ends up gate crashing a hen party and pretending to be someone else just so she can join in There is also the Red Light District to contend with where all her worst fears came true Overall it was a memorable stay in the end and to find out more just read this hilarious story of one woman s quest to keep her sanity and her sanitary towels intact The Finch Family Holiday 1 WISH YOU WERE HERE would be the words written on a dirty postcard from Blackpool that Kitty Finch would send home to the rest of her family if only they were not already there with her The Finch family are going to a Blackpool campsite for a typically British seaside holiday Will Kitty be able to enjoy the excursions when plagued with the arthritis she suffers from On the other hand will she want to end it all off the top of The Blackpool Tower through embarrassment before their final day is done Will everyone else survive the holiday come to that There are a couple of surprises joining them for the ride and plenty of comedic complications to overcome Can Kitty really put her marriage to Mason behind her since the divorce and perhaps have a holiday romance with someone new Read this funny feel good fiction to find out The Finch Family Holiday 2 Fancy a fun British holiday with the wacky Finch family in The Lake District then you are very welcome to join them for another zany outing In this laughter filled story Kitty has found herself a boyfriend that she met through the internet and she has invited the current man in her life to come along with them Does her ex husband approve of this new dude and does Kitty care if Mason cares Will Kitty s continuing battle with her health issues interfere somewhat with them having a good time not to mention the mishaps misunderstandings and general mayhem all round Everyone tries their best to bond together on this exciting trip only to rub each other up the wrong way While a blast from the past manages to upset an excursion and causes Kitty yet more grief Kitty wonders if the local myths truly exist and is there a monster lurking at the bottom of the lake Moreover can a witch really put a curse on Kitty when she is made of stone This is the least of her woes when she suspects a real post office robbery has taken place Is it a crime to want this ten day stint away from home not to end up a complete disaster Go on I dare you to

crack open the cover of this holiday story to find out what they did on their vacation
