Correia, 2023-05-26 When the governor of New Jersey Melissa Harding appears to win a close race for the White House, the incumbent president desperate to hold on to power tries every tactic to stay in office. As inauguration day comes closer, both sides battle it out in the courts. The incumbent president has ordered troops to the border of Iran, risking a bloody and pointless conflict. The death of a supreme court justice means the balance of the court is also at stake. With democracy itself at a tipping point, the country's future depends on people willing to risk their careers to uphold the rule of law.

Congressional Record United States. Congress, 2002 America at Odds Beth Henschen, Edward Sidlow, 2001-07-27 This text addresses all of the major topics of an American government course including elections, Congress, public policy, and so on. However, unlike many introductory texts, it emphasizes a more topical and provocative point-counterpoint approach that explores the conflicts that truly define America as a nation. Each chapter includes a discussion of a significant political issue and presents both sides of that issue, showing how and why Americans are often politically at odds with each other. Does not contain three chapters on public policy that are part of AMERICA AT ODDS THIRD EDITION *Keeping the Republic: Power and Citizenship in American Politics, 6th Edition The Essentials* Christine Barbour, Gerald C. Wright, 2013-01-15 Keeping the Republic's lively discussion of who gets what and how develops students' critical thinking abilities in the introductory American government course. Every section and every feature in the book has one goal in mind: to get students to think critically and be skeptical of received wisdom. Serving as a true aid to teachers, each chapter is designed to build students' analytical abilities. By introducing them to the seminal work in the field and showing them how to employ the themes of power and citizenship, this proven text builds confidence in students who want to take an active part in their communities and government, to play their part in keeping the republic, and to consider the consequences of that engagement. *American Government and Politics Today*, 2007 **The Nation and Athenæum**, 1927 **The Revolution Will Not be Televised**
