African American Historic Burial Grounds and Gravesites of New England Glenn A. Knoblock, 2015-12-14 Evidence of the early history of African Americans in New England is found in the many old cemeteries and burial grounds in the region often in hidden or largely forgotten locations This unique work covers the burial sites of African Americans both enslaved and free in each of the New England states and uncovers how they came to their final resting places The lives of well known early African Americans are discussed including Venture Smith and Elizabeth Freeman as well as the lives of many ordinary individuals military veterans business men and women common laborers and children The author s examination of burial sites and grave markers reveals clues that help document the lives of black New Englanders from the 1640s to the early 1900s

Historic North American Forts Peter F. Copeland, 2012-01-25 Forty four historic forts to color from El Morro in Puerto Rico and Fort Halifax in the Northeast to Fort Point in San Francisco and Fort Vancouver in the Northwest Fact filled captions

Reference Encyclopedia of the American Indian Barry T. Klein, 2005 Children's Books in Print, 2007, 2006

Antiquity in Gotham Elizabeth Macaulay-Lewis, 2021-03-23 The first detailed study of Neo Antique architecture applies an archaeological lens to the study of New York City s structures Since the city s inception New Yorkers have deliberately and purposefully engaged with ancient architecture to design and erect many of its most iconic buildings and monuments including Grand Central Terminal and the Soldiers and Sailors Memorial Arch in Brooklyn as well as forgotten gems such as Snug Harbor on Staten Island and the Gould Memorial Library in the Bronx Antiquity in Gotham interprets the various ways ancient architecture was re conceived in New York City from the eighteenth century to the early twenty first century

Contextualizing New York's Neo Antique architecture within larger American architectural trends author Elizabeth Macaulay Lewis applies an archaeological lens to the study of the New York buildings that incorporated these various models in their design bringing together these diverse sources of inspiration into a single continuum *Antiquity in Gotham* explores how ancient architecture communicated the political ideals of the new republic through the adaptation of Greek and Roman architecture how Egyptian temples conveyed the city's new technological achievements and how the ancient Near East served many artistic masters decorating the interiors of glitzy Gilded Age restaurants and the tops of skyscrapers Rather than classifying neo classical and Greek Revival Egyptianizing and architecture inspired by the ancient Near East into distinct categories Macaulay Lewis applies the Neo Antique framework that considers the similarities and differences intellectually conceptually and chronologically among the reception of these different architectural traditions This fundamentally interdisciplinary project draws upon all available evidence and archival materials such as the letters and memos of architects and their patrons and the commentary in contemporary newspapers and magazines to provide a lively multi dimensional analysis that examines not only the city's ancient buildings and rooms themselves but also how New Yorkers envisaged them lived in them talked about them and reacted to them *Antiquity* offered New Yorkers architecture with flexible aesthetic functional cultural and intellectual resonances whether it be the democratic ideals of Periclean Athens the technological might of Pharaonic Egypt or the majesty of Imperial Rome The result of these dialogues with ancient architectural forms was the creation of innovative architecture that has defined New York City's skyline throughout its history

The Loveliest Home That Ever Was Steve Courtney, Hal Holbrook, 2011-01-01 The official guide to The Mark Twain House Museum this volume tells the dramatic story of the famous author and his family and their Victorian mansion The history of the house and its residents is illustrated with architectural drawings and period photos as well as dozens of new color images of the building's magnificent exterior and interior

Oregon Style, Architecture from 1840 to the 1950s Rosalind Clark, 1983 *Master Register of Bicentennial Projects, February 1976* American Revolution Bicentennial Administration, 1976

A History of Musical Style Richard L. Crocker, 2014-05-05 Exceptionally clear systematic presentation of the evolution of musical style from Gregorian Chant AD 700 to mid 20th century atonal music Over 140 musical examples Bibliography
