Historical Romance Touched:

Bound by Your Touch Meredith Duran, 2009-07-21 In the vein of classic authors like Julia Quinn Sarah MacLean and Eloisa James award winning and USA TODAY bestselling author Meredith Duran returns with a bluestocking bent on justice who plays a dangerous game of seduction with London's most scandalous viscount Silver tongued Viscount Sanburne is London's favorite scapegrace Alas Lydia Boyce has no interest in being charmed When his latest escapade exposes a plot to ruin her family she vows to handle it herself as she always has done Certainly she requires no help from a too handsome dilettante whose main achievement is being scandalous But Sanburne's golden charisma masks a sharper mind and darker history than she realizes He shocks Lydia by breaking past her prim facade to the woman beneath and the hidden fire no man has ever recognized But as she follows him into a world of intrigue she will learn that the greatest danger lies within in the shadowy secret motives of his heart

A Lost Touch of Innocence Amy, 2008-03-01 I am a part of you now The words haunt Piers Veuxfort and he has only his own recklessness to blame By touching a magic crystal he freed the essence of a decidedly wicked Fin Man who now resides within Piers If that isn't bad enough a surprise for Piers arrives at Falcon's Craig Castle A bride A bride moreover who was raised to be a nun and views him as something just short of the devil What can he do but send her back You are a wicked abomination With that condemnation of her sight Giselle St Germain's future is irrevocably altered Her life in the secluded nunnery is over and she is thrown into the world a world that includes betrothal to a man who is unrepentantly devoted to his pleasures and who increasingly displays a dark troubling side What's a girl to do but cling more tightly to what she knows The rules have changed For both of them And Piers and Giselle are about to discover that sometimes fate delivers a destiny beyond your imaginings That destiny is theirs to win Or lose It will take all the courage that lies within their deepest hearts to seize it and to find A Lost Touch of Innocence

 With the weakening moral authority of the Catholic Church the boom ushered in by the Celtic Tiger and the slow but steady
 diminishment of the Troubles in the North Ireland has finally stepped out from the shadows of colonial oppression onto the
 world stage as a major cosmopolitan country Taking its title from a veiled reference to Roger Casement the humanitarian and
 Irish patriot hanged for treason in James Joyce s Ulysses The Poor Bugger s Tool demonstrates how the affective labor of
 Irish queer culture might contribute to a progressive new national image for the Republic and Northern Ireland Looking back
 to the first wave of Irish modernism in the works of Wilde Synge Casement and Joyce Patrick Mullen reveals how these
 authors deployed queer aesthetics to shape inclusive forms of national affiliation as well as to sharpen anti imperialist
 critiques In its second half the monograph turns its attention to Ireland s postmodernist boom in the works of Patrick
 McCabe Neil Jordan and Jamie O Neill With readings of The Butcher Boy Breakfast on Pluto and At Swim Two Boys Mullen
 shows that queer sensibilities and style remain key cultural resources for negotiating the political and economic realities of
 globalization at the turn of the twenty first century Buttressed by writings of theorists like Marx Foucault and Antonio Negri
 The Poor Bugger s Tool brings Irish literature into a fruitful dialog with queer theory postcolonial studies the history of
 sexuality and modernist aesthetics **The Touch of Sage** Marcia Lynn McClure,2010-05-27 Following the death of her
 parents Sage Willows had lovingly nurtured her younger sisters through childhood She loved her sisters She d seen each one
 married and was glad to see them settled and happy Furthermore she held no resentment at never having found a good man
 of her own to settle down with Yet regret is different than resentment and far more haunting Still Sage found as much joy as
 was allowed a lonely young woman in being proprietress of Willows Boardinghouse and in the companionship of the four
 beloved widow women boarding there Until that is the devilishly handsome Rebel Lee Mitchell appeared It seemed Reb
 Mitchel instantly and forever vanquished Sage s feigned contentment Dark mysterious and secretly wounded Reb Mitchell

utterly captured Sage's lonely heart Nevertheless to Sage Willows the powerfully attractive cowboy admired and coveted by every female in his path seemed entirely unobtainable How could a weathered boardinghouse proprietress resigned to spinsterhood ever hope to hold the attention of such a man And knowing she couldn't would Sage Willows simply sink deeper into the bleak loneliness she'd secreted for so long

The Visions of Ransom Lake Marcia Lynn McClure, 2011-09 Youthful beauty naive innocence a romantic imagination thirsting for adventure an apt description of Vaden Valmont who would soon find the adventure and mystery she had always longed to experience in the form of a man A somber recluse Ransom Lake descended from his solitary concealment in the mountains wholly uninterested in people and their trivial affairs And somehow young Vaden managed to be ever in his way either by accident or because of her own unique ability to stumble into a quandary Yet the enigmatic Ransom Lake would involuntarily become Vaden's unwitting tutor Through him she would experience joy and passion the like even Vaden had never imagined Yes Vaden Valmont stepped innocently yet irrevocably into love with the secretive seemingly calloused man Ransom Lake But there were other life lessons Ransom Lake would inadvertently teach her as well the darker side of life despair guilt heartache Would Ransom Lake be the means of Vaden's dreams come true Or the cause of her complete desolation

Ford Madox Ford and Englishness, 2006-01-01 The controversial British writer Ford Madox Ford 1873 1939 is increasingly recognized as a major presence in early twentieth century literature International Ford Madox Ford Studies has been founded to reflect the recent resurgence of interest in him Each volume is based upon a particular theme or issue each will relate aspects of Ford's work life and contacts to broader concerns of his time Ford is best known for his fiction especially *The Good Soldier* long considered a modernist masterpiece and *Parade's End* which Anthony Burgess described as the finest novel about the First World War and Samuel Hynes has called the greatest war novel ever written by an Englishman These works together with his trilogy *The*

Fifth Queen about Henry VIII and Katharine Howard are centrally concerned with the idea of Englishness All these and other works across Ford s prolific oeuvre are studied here Critics of Edwardian and Modernist literature have been increasingly turning to Ford s brilliant 1905 experiment in Impressionism *The Soul of London* as an exemplary text His trilogy *England and the English* of which this forms the first part provides a central reference point for this volume which presents Ford as a key contributor to Edwardian debates about the Condition of England His complex ironic attitude to Englishness makes his approach stand out from contemporary anxieties about race and degeneration and anticipate the recent reconsideration of Englishness in response to post colonialism multiculturalism globalization devolution and the expansion and development of the European Community Ford s apprehension of the major social transformations of his age lets us read him as a precursor to cultural studies He considered mass culture and its relation to literary traditions decades before writers like George Orwell the Leavises or Raymond Williams The present book initiates a substantial reassessment to be continued in future volumes in the series of Ford s responses to these cultural transformations his contacts with other writers and his phases of activity as an editor working to transform modern literature From another point of view the essays here also develop the project established in earlier volumes of reappraising Ford s engagement with the city history and modernity
