Carter, 2022-12-13 For readers interested in international relations politics and global issues Library Journal Starred Review The Historical Dictionary of Modern Coups d'état surveys the history of coups d'état in the post World War II period The term modern in the title therefore demarcates the period since January 1946 This book documents over 582 coup attempts that have occurred in 108 different countries worldwide over a period of 75 years Historical Dictionary of Modern Coups d'état contains a chronology an introduction and an extensive bibliography The dictionary section has more than 1 400 cross referenced dictionary entries This book is an excellent resource for students and researchers

Historical Dictionary of Yemen

Charles Schmitz, Robert D. Burrowes, 2017-10-25 Yemen has experienced wrenching changes that have transformed the country in yet unknown ways The country exploded in a popular revolution against the long time rule of Ali Abdallah Saleh While the country appeared to slip toward civil war Yemeni political elite rallied with international backers to put together a transitional government with a plan to revise the country's constitution The transitional government began with a cautious sense of optimism and the prospect of substantial change for the better but ended in collapse because of a failure to govern The politics of the street overran an ineffective transitional government that could not address the urgent concerns of Yemeni citizens for security and jobs Instead populist leaders exploited people's dissatisfactions and threw the country into civil war The Houthi organization covertly allied with its former enemy Ali Abdallah Saleh to overthrow the transitional government and declare war on the rest of the country Saleh seems unable to conceive of life outside of the Presidential Palace and his Houthi allies appear to believe they are destined to rule Unfortunately those opposed to Saleh and the Houthi also seem unable to provide effective rule in spite of massive backing from the Gulf States The incompetence infighting and incoherence of the Hadi government bode equally ill for the future of the country The one hope may be that a new generation of Yemeni leaders emerges to displace the dismal failures of this one This third edition of Historical Dictionary of Yemen contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 1000 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Yemen

Historical Dictionary of Syria

David Commins, David W. Lesch, 2013-12-05 In 2011 massive protest movements that appeared to come out of nowhere caught the Arab world's autocrats by surprise and brought down powerful leaders in Tunisia Egypt Libya and Yemen Thousands of Syrians took to the streets in March 2011 calling for the fall of the regime the popular slogan of Arab uprisings but found themselves confronting a determined foe willing to slaughter thousands of citizens and to destroy entire city neighborhoods in order to hold onto power By the middle of 2013 Syria was in the midst of a nightmarish civil war marked by more than 80

000 deaths sectarian massacres the flight of one fourth the country's population from their homes the disintegration of government institutions in much of the country and a rising humanitarian crisis as food medicine and electricity grew short Nobody in Syria or the outside world appears to be in a position to stop what looked like a fight to the bitter end at whatever cost to the country This third edition of the *Historical Dictionary of Syria* covers the recent events in Syria as well as the history that led up to these events This is done through a chronology an introductory essay and an extensive bibliography The cross referenced dictionary section has over 500 entries on significant persons places and events political parties and institutions literature music and the arts This book is an excellent resource for students researchers and anyone wanting to know more about Syria

Historical Dictionary of Nepal Nanda R. Shrestha, Keshav Bhattarai, 2017-02-08 Nepal is a living example of contrasts and contradictions It is a country that was born in medieval times grew up in the 16th century and now finds itself engulfed in the high tech gadgets and material marvels of the 21st century Nepal has its share of problem which include inadequate economic development and social infrastructure poverty and corruption plus worsening pollution but now it finally has relative peace and quiet after a hasty Maoist uprising Indeed it has passed through several democratic elections and finally seems to be getting on the right track This second edition of *Historical Dictionary of Nepal* contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 700 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Nepal

Historical Dictionary of Burma (Myanmar) Donald M. Seekins, 2017-03-27 Burma Myanmar is a Southeast Asian country that is emerging from crisis after more than a half century of hard line military rule and cultural diplomatic and economic isolation With the dissolution of its military regime the State Peace and Development Council in 2011 a formally civilian but military dominated constitutional government was inaugurated By 2012 Burma's president retired General Thein Sein had established a working relationship

with Daw Aung San Suu Kyi the leader of the country's pro democracy movement since 1988 and after a 2012 by election she and members of her opposition party the National League for Democracy NLD entered the new Union Parliament as legislators However even with the election victory of Daw Suu Kyi and the NLD in the General Election of November 2015 Burma faces daunting challenges it is still one of the poorest countries in Southeast fissured by longstanding ethnic conflicts that have made a nationwide peace agreement elusive and its people's security and the environment are threatened by foreign economic exploitation Religious discord is also widely evident as Buddhist militants instigate violence against the country's religious minorities especially Muslims Today Burma's prospects are the most hopeful they have been for over half a century as the country takes steps along the road to a more open society and economy This edition of the Historical Dictionary of Burma Myanmar encompasses not only current developments but also Burma's over 1 500 years old recorded history and the most important features of its cultures ethnicity religions society and economy This is done through a chronology an introduction and an extensive bibliography The dictionary section has over 700 cross referenced entries on important personalities politics economy foreign relations religion and culture
