Historie Vg3 Cappelen:

Northern Neighbours John Bryden, 2015-03-23 This edited collection of essays covers various elements of the analysis of Norway and Scotland including land ownership politics agriculture industry money and banking local government education religion access and the outdoor life as well as see Colonial Entanglements and the Medieval Nordic World Cordelia Heß, Solveig Marie Wang, Erik Wolf, 2024-12-16 The book investigates the multifaceted entanglements between the many pasts and presents of the Nordic medieval period and colonialism The edited volume contributes to the untangling of questions concerning how present recent and past structures of colonialism affect historiography on the medieval Nordic past Consisting of thematically diverse chapters the book brings together a range of approaches related to medieval colonialism in a Nordic context touching both on medieval and medievalist factors The editors and contributors understand their project as part of the growing conversation about colonialism and its reverberations in academia and as a contribution to decolonization efforts The volume will offer an interdisciplinary approach to oft neglected aspects of the medieval world through an incorporation of more inclusive methodologies and re readings of both medieval texts and previous scholarship

Comparative Perspectives on School Textbooks Dobrochna Hildebrandt-Wypych, Alexander W. Wiseman, 2021-04-22 This book examines the discourses on nation building civic identity minorities and the formation of religious identities in school textbooks worldwide It offers up to date practical and scholarly information on qualitative and mixed method textbook analysis as well as the broader context of critical comparative textbook and curriculum analyses in and across selected countries The volume offers unique and empirical research on how internal educational policies and ideological goals of dominant social political and economic groups affect textbook production and the curricular aims in different educational systems worldwide Chapters address the role of school textbooks in developing nationhood the creation of citizenship through school textbooks the complexity of gender in normative discourses and the intersection of religion and culture in school textbooks
