within the nation's railway system led to a merger with the Burlington Northern and the creation of the BNSF Railway. An iconic railroad, the Santa Fe, at its peak operated thirteen thousand miles of routes and served the southwestern region of the nation with the corporate slogan "Santa Fe All the Way." This new edition covers almost twenty-five more years of history, including the merger of the Santa Fe and Burlington Northern railroads and new material on labor, minorities, and women on the carrier, along with new and updated maps and photographs.
