Present Time William Sandby,1862 **The Book of British Topography** John Parker Anderson,1881 The Cultural Construction of Hidden Spaces,2024-05-13 This essay collection focuses on enclosure deception and secrecy in three spatial areas the body clothing and furniture It contributes to the study of private life and explores the micro history of hidden spaces The contents of pockets may prove a surer index to their owner s real thoughts than anything they say a piece of furniture with ingenious mechanisms created to conceal secrets may also reveal someone s attempts to break in and thus give away as much as it holds Though the book s focus is on particular material or imagined objects taken as a whole it exemplifies a range of interdisciplinary encounters between history literary criticism art history philosophy psychoanalysis sociology criminology archival studies museology and curating and women s studies *Bastards and Foundlings* Lisa Zunshine,2005 In this compelling interdisciplinary study of what has been called the century of illegitimacy Lisa Zunshine seeks to uncover the multiplicity of cultural meanings of illegitimacy in the English Enlightenment *Bastards and Foundlings* pits the official legal views on illegitimacy against the actual everyday practices that frequently circumvented the law it reconstructs the history of social institutions called upon to regulate illegitimacy such as the London Foundling Hospital and it examines a wide array of novels and plays written in response to the same concerns that informed the emergence and functioning of such institutions By recreating the context of the national preoccupation with bastardy with a special emphasis on the gender of the fictional bastard foundling Zunshine offers new readings of canonical texts such as Steele s *The Conscious Lovers* Defoe s *Moll Flanders* Fielding s *Tom Jones* Moore s *The Foundling* Colman s *The English Merchant* Richardson s *Clarissa* and Sir Charles Grandison Burney s *Evelina* Smith s *Emmeline* Edgeworth s *Belinda* and Austen s *Emma* as well as of less well known works such as Haywood s *The Fortunate Foundlings* Shebbeare s *The Marriage Act* Bennett s *The Beggar Girl and Her Benefactors* and Robinson s *The Natural Daughter* *The Athenaeum* ,1858 *Childcare, health and mortality in the London Foundling Hospital, 1741-1800* Alysa Levene,2017-10-03 This book is a thorough and engaging examination of an institution and its young charges set in the wider social cultural demographic and medical context of the eighteenth century By examining the often short lives of abandoned babies the book illustrates the variety of pathways to health ill health and death taken by the young and how it intersected with local epidemiology institutional life and experiences of abandonment feeding and child care For the first time the characteristics of the babies abandoned to the London Foundling Hospital have been examined highlighting the reasons parents and guardians had for giving up their charges Clearly presented statistical analysis shows how these characteristics interacted with poverty and welfare to influence health and survivorship across infancy and early childhood The book builds up sources from Foundling Hospital records medical tracts and parish registers to illustrate how the hospital managed the care of its children and how it reflected wider medical ideas on feeding and child health Child fostering paid nursing and family formation in different parts of England are also examined showing how this metropolitan institution called on a network of contacts to try to raise its

charges to good health This book will be of considerable significance to scholars working in economic and social history medical and institutional history and histories of childhood and childcare in the early modern period It will also be of interest to anthropologists interested in child rearing and feeding practices and inter family relationships **Edinburgh**
