Voices of the Renaissance John A. Wagner, 2022-02-04 The documents in this collection trace the course of the Renaissance in Italy and northern Europe describing the emergence of a vibrant and varied intellectual and artistic culture in various states cities and kingdoms Voices of the Renaissance Contemporary Accounts of Daily Life contains excerpts from 52 different documents relating to the period of European history known as the Renaissance In the 14th century the rise of humanism a philosophy based on the study of the languages literature and material culture of ancient Greece and Rome led to a sense of revitalization and renewal among the city states of northern Italy The political development and economic expansion of those cities provided the ideal conditions for humanist scholarship to flourish This period of literary artistic architectural and cultural flowering is today known as the Renaissance a term taken from the French and meaning rebirth The Italian Renaissance reached its height in the 15th and early 16th centuries In the 1490s the ideals of the Italian Renaissance spread north of the Alps and gave rise to a series of national cultural rebirths in various states In many places this Northern Renaissance extended into the 17th century when war and religious discord put an end to the Renaissance era

An Art Lover's Guide to Florence Judith Testa, 2012-09-15 No city but Florence contains such an intense concentration of art produced in such a short span of time The sheer number and proximity of works of painting sculpture and architecture in Florence can be so overwhelming that Florentine hospitals treat hundreds of visitors each year for symptoms brought on by trying to see them all an illness famously identified with the French author Stendhal While most guidebooks offer only brief descriptions of a large number of works with little discussion of the historical background Judith Testa gives a fresh perspective on the rich and brilliant art of the Florentine Renaissance in *An Art Lover's Guide to Florence* Concentrating on a number of the greatest works by such masters as Botticelli and Michelangelo Testa explains each piece in terms of what it meant to the people who produced it and for whom they made it deftly treating the complex interplay of politics sex and religion that were involved in the creation of those works With Testa as a guide armchair travelers and tourists alike will delight in the fascinating world of Florentine art and history

Hybridity in Early Modern Art Ashley Elston, Madeline Rislow, 2021-09-15 This collection of essays explores hybridity in early modern art through two primary lenses hybrid media and hybrid time The varied approaches in the volume to theories of hybridity reflect the increased presence in art historical scholarship of interdisciplinary frameworks that extend art historical inquiry beyond the single time or material The essays engage with what happens when an object is considered beyond the point of origin or as a legend of information the implications of the juxtaposition of disparate media how the meaning of an object alters over time and what the conspicuous use of out of date styles means for the patron artist and or viewer Essays examine both canonical and lesser known works produced by European artists in Italy northern Europe and colonial Peru ca 1400 1600 The book will be of interest to art historians visual culture historians and early modern historians

Parsons, 2020-06-02 Charting the theological and cultural potency of Acts across the timespan of Christian history this work of profound scholarship reveals the full extent of the New Testament book's religious artistic literary and political influence Reveals the influence of Acts at key turning points in the history of the Christian church Traces the rich and varied artistic and cultural heritage rooted in Acts from music to literature Analyzes the political significance of the book as a touchstone in the church's external relations Provides detailed commentary on the exegesis of Acts down the centuries

The Brushstrokes of Life Anne Neilson, 2023-04-18 Here's a secret God has deposited a gift inside of you Acclaimed angel artist Anne Neilson wants to help you find yours as she shares her personal story of passion and purpose and how faith radiates from every canvas of her life The Brushstrokes of Life will help you see there are no coincidences with God Anne Neilson believes that each of us begins our life as a blank canvas clean and fresh and ready to find texture in our experiences Each trial each joy each heartache and each hope leaves an explosion of color and sweeping brushstrokes that shape us When we allow God to take over as the Master artist we will find that He carefully adds dimension and highlights to create a beautiful masterpiece in us Often though it's hard to find the beauty when we are wading through mess In this beautiful

memoir Anne shares personal stories about why her faith is so important to her and resonates in all her work In *The Brushstrokes of Life* you will learn how to Open your hands to God s possibilities Connect your trials from today into hope for tomorrow Trust God s role in your story Including a photo insert with several angel paintings never before seen in a book Anne s stories will be a beautiful reminder that God is both our Creator and the fulfiller of His promises He is the artist of our life Creations are messy but the divine artist never fails to reveal a masterpiece *Routledge Revivals: Medieval Italy* (2004). Christopher Kleinhenz,2017 *Rethinking the Needham Question* Raymond W. K. Lau,2024-12-24 This book offers a new investigation of the Needham Question Why did modern science emerge in Europe but not in any of the advanced non European civilizations Eurocentric accounts attribute it to certain qualities said to be unique to Europe Opposed to the Eurocentric view is a position known as the dialogical perspective Dialogism argues that Europe borrowed heavily from non European scientific knowledges and that scientific exchanges were key to the development of modern science Neo Eurocentric arguments have emerged in response to the challenge of dialogism and the debate between Eurocentrism neo Eurocentrism and dialogism currently stands at a stalemate In this book Raymond Lau brings a new theoretical methodological framework to finally settle this debate The historical analysis developed here shows that to secure the non Eurocentric case and decisively rebut Eurocentrism and neo Eurocentrism it is necessary to go beyond dialogism both theoretically and methodologically **Sensational Religion** Sally Promey,2014-06-24 The result of a collaborative multiyear project this groundbreaking book explores the interpretive worlds that inform religious practice and derive from sensory phenomena Under the rubric of making sense the studies assembled here ask How have people used and valued sensory data How have they shaped their material and immaterial worlds to encourage or discourage certain kinds or patterns of sensory experience How have they framed the sensual capacities of images and objects to license a range of behaviors including iconoclasm censorship and accusations of blasphemy or sacrilege Exposing the dematerialization of religion embedded in secularization theory editor Sally Promey proposes a fundamental reorientation in understanding the personal social political and cultural work accomplished in religion s sensory and material practice Sensational Religion refocuses scholarly attention on the robust material entanglements often discounted by modernity s metaphysic and on their inextricable connections to human bodies behaviors affects and beliefs *The Art of Biblical Interpretation* Heidi J. Hornik,Ian Boxall,Bobbi Dykema,2021-08-24 A richly illustrated collection of essays on visual biblical interpretation For centuries Christians have engaged their sacred texts as much through the visual as through the written word Yet until recent decades the academic disciplines of biblical studies and art history largely worked independently This volume bridges that gap with the interdisciplinary work of biblical scholars and art historians Focusing on the visualization of biblical characters from both the Old and New Testaments essays illustrate the potential of such collaboration for a deeper understanding of the Bible and its visual reception Contributions from Ian Boxall James Clifton David B Gowler Jonathan Homrighausen Heidi J

Hornik Jeff Jay Christine E Joynes Yohana A Junker Meredith Munson and Ela Nu u foreground diverse cultural contexts and chronological periods for scholars and students of the Bible and art *A World Art History and Its Objects* David Carrier, 2008-11-28 Is writing a world art history possible Does the history of art as such even exist outside the Western tradition Is it possible to consider the history of art in a way that is not fundamentally Eurocentric In this highly readable and provocative book David Carrier a philosopher and art historian does not attempt to write a world art history himself Rather he asks the question of how an art history of all cultures could be written or whether it is even possible to do so He also engages the political and moral issues raised by the idea of a multicultural art history Focusing on a consideration of intersecting artistic traditions Carrier negotiates the way meaning and understanding shift or are altered when a visual object from one culture for example is inserted into the visual tradition of another culture *A World Art History and Its Objects* proposes the use of temporal narrative as a way to begin to understand a multicultural art history *The Renaissance and the Wider World* Joanne M. Ferraro, 2023-12-28 Award winning historian Joanne M Ferraro s *The Renaissance and the Wider World* skillfully surveys the economic political social and cultural history of Europe for the period between 1250 and 1600 The book examines how the Renaissance manifested itself through developments in the high culture of art architecture philosophy science technology and education as well as material culture in the form of worldly goods and consumption patterns Ferraro expertly shows how Renaissance high culture began in 13th century Italy with important ancient and medieval legacies and cultural infusions from China North Africa and Islam and from the 16th century the Ottomans and the Americas she also examines some of the ways in which this Renaissance then impacted the rest of Europe the Americas and the Ottoman Empire during the 15th and 16th centuries Vital and innovative themes that permeate the text s discussions of science art architecture philosophy and technology are that Global encounters helped shape the material intellectual and artistic cultures of the age Both women and men contributed significantly to the advances made The daily lives of ordinary men and women are fundamental to understanding this remarkable period Highly illustrated and with valuable pedagogical features such as timelines and a glossary *The Renaissance and the Wider World* is the essential guide to a European era of profound global importance *Getting Into Oxford & Cambridge 2013 Entry* Jenny Blaiklock, 2012-04-18 Do you want to win a place at one of the most prestigious universities in the country Do you need help making your application stand out from the crowd Winning a place at Oxford or Cambridge is notoriously difficult and with competition at an all time high *Getting into Oxford and Cambridge* has all the information you need to put yourself ahead of the fierce competition Covering what you should study at A level to your admissions interview and beyond this is a comprehensive guide to *Getting into Oxford or Cambridge* including Insider tips and advice from admission tutors The grades expected for each university Advice on writing your personal statement Interview preparation and practice Make sure your application stands out from the crowd impress at interview and secure yourself a place at Oxford or Cambridge **Getting Into Oxford and Cambridge 2020 Entry** Mat
