Doing History Linda S. Levstik, Keith C. Barton, 2022-09-06 Now in its sixth edition Doing History offers a unique perspective on teaching and learning history in the elementary and middle grades Through case studies of teachers and students in diverse classrooms and from diverse backgrounds it shows children engaging in authentic historical investigations often in the context of an integrated social studies curriculum The book is grounded in the view that children can engage in valid forms of historical inquiry asking questions collecting and analyzing evidence examining the varied perspectives and experiences of people in the past and creating evidence based historical accounts and interpretations Grounded in contemporary sociocultural theory and research the text features vignettes in each chapter showing communities of teachers and students doing history in environments rich in literature art writing and discussion The authors explain how these classrooms reflect contemporary principles of teaching and learning and thus the descriptions not only provide specific examples of successful activities but also place them in a context that allows teachers to adapt and apply them in a wide range of settings Doing History emphasizes diversity in two ways Readers encounter students from a variety of backgrounds and see how their diverse experiences can form the foundation for learning and they also see examples of how teachers can engage students with diverse experiences and perspectives in the past including those that led to conflict and oppression The book also discusses principles for working with English learners and newcomers and it

provides guidance in using multiple forms of assessment to evaluate the specifically historical aspects of children's learning
Updates to this edition include updated historical and instructional examples to ensure currency new suggestions for
children's literature to support good teaching expanded attention to teaching about oppressed groups in history and greater
attention to when historical perspective taking is and is not appropriate *Lies My Teacher Told Me* James W. Loewen, 2008
