A Surgeon with Custer at the Little Big Horn James Madison DeWolf, 2017-05-25 In spring 1876 a physician named James Madison DeWolf accepted the assignment of contract surgeon for the Seventh Cavalry becoming one of three surgeons who accompanied Custer's battalion at the Battle of the Little Big Horn Killed in the early stages of the battle he might easily have become a mere footnote in the many chronicles of this epic campaign but he left behind an eyewitness account in his diary and correspondence A Surgeon with Custer at the Little Big Horn is the first annotated edition of these rare accounts since 1958 and the most complete treatment to date While researchers have known of DeWolf's diary for many years few details have surfaced about the man himself In A Surgeon with Custer at the Little Big Horn Todd E Harburn bridges this gap providing a detailed biography of DeWolf as well as extensive editorial insight into his writings As one of the most highly educated men who traveled with Custer the surgeon was well equipped to compose articulate descriptions of the 1876 campaign against the Indians a fateful journey that began for him at Fort Lincoln Dakota Territory and ended on the battlefield in eastern Montana Territory In letters to his beloved wife Fannie and in diary entries reproduced in this volume exactly as he wrote them DeWolf describes the terrain weather conditions and medical needs that he and his companions encountered along the way After DeWolf's death his colleague Dr Henry Porter who survived the conflict retrieved his diary and sent it to DeWolf's widow Later the DeWolf family donated it to the Little

Bighorn Battlefield National Monument Now available in this accessible and fully annotated format the diary along with the DeWolf s personal correspondence serves as a unique primary resource for information about the Little Big Horn campaign and medical practices on the western frontier

Catalogue of Library of Brevet Lieutenant-Colonel John Page Nicholson... John Page Nicholson,1914 *The Selected Papers of Elizabeth Cady Stanton and Susan B. Anthony* Ann D. Gordon,2013-01-10 The hush of the title comes suddenly when first Elizabeth Cady Stanton dies on October 26 1902 and three years later Susan B Anthony dies on March 13 1906 It is sudden because Stanton despite near blindness and immobility wrote so intently right to the end that editors had supplies of her articles on hand to publish several months after her death It is sudden because Anthony at the age of eighty five set off for one more transcontinental trip telling a friend on the Pacific Coast it will be just as well if I come to the end on the cars or anywhere as to be at home Volume VI of this extraordinary series of selected papers is inescapably about endings death and silence But death happens here to women still in the fight An Awful Hush is about reformers trained in the school of anti slavery trying to practice their craft in the age of Jim Crow and a new American Empire It recounts new challenges to an aristocracy of sex whether among the bishops of the Episcopal church the voters of California or the trustees of the University of Rochester And it sends last messages about woman suffrage As Stanton wrote to Theodore Roosevelt on the day before she died Surely there is no greater monopoly than that of all men in denying to all women a voice in the laws they are compelled to obey With the publication of Volume VI this series is now complete
