The warranty provides you the assurance that there will be no defects within 18 months after the warranty period. In some circumstances, there are product fault exemptions, (also called stress to the customer, and if the product is not of warranty). Should the equipment be abused, or needed to change its performance beyond the original factory specifications, the warranty will become void and great fault repairs may be needed. Using the wrong tools, over specification or otherwise compromising materials will void the warranty.

Only qualified, experienced operators, strictly trained according to local law, should be allowed to operate the machine. Moreover, only strictly trained personnel should be allowed to inspect, service the machine.

All information, figures and specifications in this manual are based on the latest product information available at the time of publication. This will be corrected to cover changes as they come to light.
