Children of Polygamy

Debbie Palmer - Dave Perrin

Keep Sweet Children Of Polygamy

Flora Jessop, Paul T. Brown

Keep Sweet Children Of Polygamy:

Keep Sweet Debbie Palmer, David Perrin, 2004 **Modern Polygamy and Mormon Fundamentalism** Brian C. Hales, 2006-01-01 2007 Best Book Award John Whitmer Historical Association Under the subject of alternative lifestyles the issue of polygamous relationships falls squarely in the middle of the debate Polygamous marriages are a common practice in many other countries but the United States has vehemently opposed such unions and will no doubt find itself disputing its position on them again in the near future As with the same sex marriage issue a firestorm of controversy surrounds the question since the right to participate in a polygamous union is very much tied to the right to live out one's preferences religious or not Detailed accounts of sexual abuse and child brides are frequently leaked from the various polygamous societies notwithstanding their extreme efforts to remain under the radar of law enforcement and the press A by product of these mysterious societies is that public interest is vitalized by their continuous efforts to gain independence from traditionalist culture This fascinating study seeks to trace the historical tapestry that is early Mormon polygamy details the official discontinuation of the practice by the Church and for the first time describes the many zeal driven organizations that arose in the wake of that decision Among the polygamous groups discussed are the LeBaronites whose blood atonement killings sent fear throughout Mormon communities in the late seventies and the eighties the FLDS Church which made news recently over its construction of a compound and temple in Texas and Warren Jeffs arrest and conviction and the Allred and Kingston groups two major factions with substantial membership statistics both in and out of the United States All these fascinating histories along with those of the smaller independent groups are examined and explained in a way that all can appreciate *Polygamy's Rights and Wrongs* Gillian Calder, Lori G. Beaman, 2013-12-01 Assumptions about the harmful nature of polygamy have left little room for debate with monogamy coming to represent a hallmark of civil society and polygamy the immoral alternative Opponents have argued that polygamy is harmful to women children personal freedom and even national values and press for prosecution Yet in this volume eleven scholars ask whether this response is justified by examining among other perspectives the lived experiences of polygamous families In essays that fearlessly explore difficult questions of love choice and dignity these historians legal scholars political scientists sociologists anthropologists and religious studies scholars some of whom are personally connected to polygamous families seek to complicate a conversation that is more often simplified Thoughtful and persuasive *Polygamy's Rights and Wrongs* is both a close consideration of polygamy its historical place and its presence in contemporary society and a challenging reflection on the ways in which we value family and intimacy *Forbidden Intimacies* Melanie Heath, 2023-02-21 A poignant account of everyday polygamy and what its regulation reveals about who is viewed as an Other In the past thirty years polygamy has become a flashpoint of conflict as Western governments attempt to regulate certain cultural and religious practices that challenge seemingly central principles of family and justice In *Forbidden Intimacies* Melanie Heath comparatively investigates the regulation of polygamy

in the United States Canada France and Mayotte Drawing on a wealth of ethnographic and archival sources Heath uncovers the ways in which intimacies framed as other and offensive serve to define the very limits of Western tolerance These regulation efforts counterintuitively allow the flourishing of polygamies on the ground The case studies illustrate a continuum of justice in which some groups like white fundamentalist Mormons in the U S organize to fight against the prohibition of their families existence whereas African migrants in France face racialized discrimination in addition to rigid migration policies The matrix of legal and social contexts informed by gender race sexuality and class shapes the everyday experiences of these relationships Heath uses the term labyrinthine love to conceptualize the complex ways individuals negotiate different kinds of relationships ranging from romantic to coercive What unites these families is the secrecy in which they must operate As government intervention erodes their abilities to secure housing welfare work and even protection from abuse Heath exposes the huge variety of intimacies and the power they hold to challenge heteronormative Western ideals of love

The Polygamy Question Janet Bennion, Lisa Fishbayn Joffe, 2016-03-01 The practice of polygamy occupies a unique place in North American history and has had a profound effect on its legal and social development The Polygamy Question explores the ways in which indigenous and immigrant polygamy have shaped the lives of individuals communities and the broader societies that have engaged with it The book also considers how polygamy challenges our traditional notions of gender and marriage and how it might be effectively regulated to comport with contemporary notions of justice The contributors to this volume scholars of law anthropology sociology political science economics and religious studies disentangle diverse forms of polygamy and polyamory practiced among a range of religious and national backgrounds including Mormon and Muslim They chart the harms and benefits these models have on practicing women children and men whether they are independent families or members of coherent religious groups Contributors also address the complexities of evaluating this form of marriage and the ethical and legal issues surrounding regulation of the practice including the pros and cons of legalization Plural marriage is the next frontier of North American marriage law and possibly the next civil rights battlefield Students and scholars interested in polygamy marriage and family will find much of interest in The Polygamy Question Contributors include Kerry Abrams Martha Bailey Lori Beaman Janet Bennion Jonathan Cowden Shoshana Grossbard Melanie Heath Debra Majeed Rose McDermott Sarah Song and Maura Irene Strassberg

The Secret Lives of Saints Daphne Bramham, 2009-04-03 The Secret Lives of Saints paints a troubling portrait of an extreme religious sect These zealous believers impose severe and often violent restrictions on women deprive children of education and opt instead to school them in the tenets of their faith defy the law and move freely and secretly over international borders They punish dissent with violence and even death No this sect is not the Taliban but North America's fundamentalist Mormons Daphne Bramham explores the history and ideas of this surprisingly resilient and insular society asking the questions that surround its continued existence and telling the stories of the men and women whose lives are so entwined with it both the leaders and

the victims **Depth Psychology, Cult Survivors, and the Role of the Daimon** Linda R. Quennec, 2024-06-10 This book explores the possibilities that exist for navigating out of and away from multiple levels of oppression through memoir based research It considers how those raised in oppressive high demand communities colloquially referred to as cults can emancipate themselves from controls and expectations inculcated from early childhood and examines processes surrounding the psychological reclamation of self Exploring and metaphorically tending to an orienting psychological dynamic that the ancient Greeks related to as the daimon and using the perspectives of Jungian and post Jungian depth psychology the author investigates how subjects can reclaim agency and avoid excessive control over their thoughts attention and life s intentions They suggest that depth psychologically oriented modes can be used to this attunement and explore this notion through a study of memoirs of individuals who were raised in cults Suggesting a more aligned approach to working with varying levels of psychological constraint and utilizing a phenomenological hermeneutic study it will appeal to scholars and professionals in depth psychology and other psychological orientations as well as individuals who are interested in more deeply understanding the psychological mechanisms involved in leaving a high demand group or other oppressive situations

Mapping the Legal Boundaries of Belonging René Provost, 2014 This collection of essays explores the complex relationship between religion and multiculturalism and the role of the state and law in the creation of boundaries

Women's Journey to Empowerment in the 21st Century Kristen Zaleski, Annalisa V. Enrile, Eugenia L. Weiss, 2020 Written through the lens of transnational feminism Women s Journey to Empowerment in the 21st Century offers a global view into the patriarchal attitudes that shape cultural practices that oppress women and continue to take form in the modern era By examining a range of issues the book compels readers to utilize a contextual framework in taking a closer look at contemporary violence and oppression against women in our world *The Celestial Wife* Leslie Howard, 2024-04-09 A young fundamentalist Mormon girl facing a forced marriage escapes her strict polygamist community and comes of age in the tumultuous 1960s in this captivating novel inspired by shockingly true events Keep sweet no matter what for this is the way to be lifted up Keep sweet with every breath for it is a matter of life or death 1964 Fifteen year old Daisy Shoemaker dreams of life beyond her small isolated fundamentalist Mormon community of Redemption on the Canada US border despite Bishop Thorsen s warning that the outside world is full of sin According to the Principle the only way to enter the celestial kingdom is through plural marriage While the boys are taught to work in the lucrative sawmill that supports their enclave Daisy and her best friend Brighten are instructed to keep sweet and wait for Placement the day the bishop will choose a husband for them But Daisy wants to be more than a sister wife and a mother So when she is placed with a man forty years her senior she makes the daring decision to flee Redemption Years later Daisy has a job and a group of trustworthy friends Emboldened by the ideas of the feminist and counterculture movements she is freer than she has ever been until Brighten reaches out with a cry for help and Daisy s past comes hurtling back But to save the women she left behind Daisy must risk her newfound

independence and return to Redemption where hellfire surely awaits For readers of Emma Cline's *The Girls* and Ami McKay's *The Virgin Cure* comes an arresting coming of age novel about a fearless young girl's fight for freedom at a time of great historic change

Property Carol Christie, John Christie, 2013-04-27 The autobiography of Carol Christie who was forced into a polygamous relationship with the leader of a religious sect as a teenager in the early 1970s and endured nearly forty years of degradation abuse and brainwashing before escaping the cult in 2008

Sister Wives, Surrogates and Sex Workers Angela Campbell, 2016-04-01 Did she choose that Or more normatively Why would she choose that This book critiques and offers an alternative to these questions which have traditionally framed law and policy discussions circulating around controversial genderized practices It examines the simplicity and incompleteness of choice based rhetoric and of presumptions that women's conduct is shaped in an absolute way either by choice or by coercion This book develops an analytical framework that aims to discern the meaning and value that women may ascribe to morally ambiguous practices An analysis of law's approach to polygamy surrogacy and sex work particularly in Canada the United Kingdom and Australia provides a basis for evaluating the choice coercion binary and for contemplating alternate modes for assessing from a law and policy standpoint the palatability of social practices that appear pernicious to women Weaving together interdisciplinary research an innovative analytical framework for assessing choices ostensibly harmful to women and a critique of the legal rules governing such choices this book bears relevance for students scholars practicing jurists and policymakers seeking a richer understanding of conduct that moves women to the margins of law and society

God Bless America Karen Stollznow, 2014-07-01 *God Bless America* lifts the veil on strange and unusual religious beliefs and practices in the modern day United States Do Satanists really sacrifice babies Do exorcisms involve swearing and spinning heads Are the Amish allowed to drive cars and use computers Taking a close look at snake handling new age spirituality Santeria spells and satanic rituals this book offers more than mere armchair research taking you to an exorcism and a polygamist compound and allowing you to sit among the beards and bonnets in a Mennonite church and to hear L Ron Hubbard's stories told as sermons during a Scientology service From the Amish to Voodoo the beliefs and practices explored in this book may be unorthodox and often dangerous but they are always fascinating While some of them are dying out and others are gaining popularity with a modern audience all offer insight into the future of religion in the United States and remind that fact is often stranger than fiction

Escaping Utopia Janja Lalich, Karla McLaren, 2017-09-01 We think of cults as bizarre inexplicable or otherworldly places that only strange people inhabit but cults and other abusive and high demand groups and relationships are actually quite commonplace In fact the behaviors social pressures and authoritarian structures that create cults exist to a greater or lesser extent in every human relationship and every human group In the first in depth research of its kind the author interviewed sixty five people who were born in or grew up in thirty nine different cultic groups spanning more than a dozen countries What's especially interesting about these individuals is that they each left the cult on their own

without outside help or internal support In *Escaping Utopia Growing Up in a Cult Getting Out and Starting Over* the authors craft Lalich's original and groundbreaking research into an accessible and engaging book the first of its kind focusing on this particular population

Church of Lies Flora Jessop, Paul T. Brown, 2009-01-20 From the Preface My name is Flora Jessop I've been called apostate vigilante and crazy bitch and maybe I am But some people call me a hero and I'd like to think they're right too If I am a hero maybe it's because every time I can play a part in saving a child or a woman from a life of servitude and degradation I'm saving a little piece of me too I was one of twenty-eight children born to my dad and his three wives Indoctrinated to believe that the outside world was evil and that I resided among the righteous I was destined to marry a man chosen for me by the Prophet I would then live in harmony with my sister wives bear many children and obey and serve my future husband in this life and throughout eternity But my innocence didn't last long While still a child I understood that the church of the righteous was nothing but a church of lies When I was eight years old my father sexually molested me for the first time raping me when I was twelve I tried to kill myself Beaten molested taunted and abused by family members alleging they only wanted to save my soul became a daily routine I ran from this abuse more than once in my early teens even attempting to cross the desert on foot My family hunted me down I thought government agencies would provide me safety if I reported my father Instead police and social services colluded with the FLDS to return me to my family and I ended up back inside polygamy right where I started Flora goes on from there to tell the dramatic true story of how she ultimately escaped and has been fighting against frustrating obstacles with hard fought successes in rescuing women and children from the FLDS It's a story you can't put down

Latter-day Screens Brenda R. Weber, 2019-09-13 Brenda R Weber examines how the mediation of Mormonism through film TV blogs YouTube videos and memoirs functions as a means to understand conversations surrounding gender sexuality spirituality capitalism justice and individualism in the United States

Women in Fundamentalism Maxine L. Margolis, 2019-10-10 *Women in Fundamentalism* examines the striking similarities in three extreme fundamentalist religious communities in their views about and treatment of women Whether Christian Jewish or Muslim the fundamentalist offshoots of these religions subject women to myriad restrictions in their daily lives All three seek to maintain male control over women's bodies women's activities and the people with whom women associate The three also share common ideologies about women's true nature and proper place The specific cases covered in this text are 1 Mormon polygamists specifically the Fundamentalist Church of Jesus Christ of Latter Day Saints FLDS who live in Utah Arizona Texas and isolated enclaves in Canada and Mexico 2 the Satmar Hasidim of Williamsburg Brooklyn Kiryas Joel a town in Orange County New York and several settlements in Israel and 3 an extreme brand of Islam practiced by the Pashtun ethnic group of Afghanistan and neighboring areas of Pakistan This book effectively bridges the disciplines of women's studies religion and anthropology making it a valuable resource for professors and students seeking new qualitative and quantitative material on women's positions in various religious traditions

Journal of Mormon History, 2006 *Ottawa Law Review*, 2009

Rudyard Kipling For Children - 7 Books in One Edition (Illustrated Edition) Rudyard Kipling, 2017-11-15 The Jungle Book is a collection of stories and fables using animals in an anthropomorphic manner to give moral lessons The verses of The Law of the Jungle for example lay down rules for the safety of individuals families and communities The best known of them are the three stories revolving around the adventures of an abandoned man cub Mowgli who is raised by wolves in the Indian jungle The most famous of the other four stories are probably Rikki Tikki Tavi and Toomai of the Elephants The Second Jungle Book is a sequel which features five stories about Mowgli and three unrelated stories all but one set in India most of which Kipling wrote while living in Vermont The Man Who Would Be King is a novella about two British adventurers in British India who become kings of Kafiristan a remote part of Afghanistan The story was inspired by the exploits of James Brooke an Englishman who became the first White Rajah of Sarawak in Borneo Kim is an adventure novel about the orphaned son of an Irish soldier and a poor Irish mother who have both died in poverty Living a vagabond existence in India under British rule in the late 19th century Kim earns his living by begging and running small errands on the streets of Lahore The Just So Stories are a highly fantasized origin stories especially for differences among animals they are among Kipling's best known works The Light That Failed Captain Courageous Plain Tales from the Hills Rudyard Kipling 1865-1936 was an English short story writer poet and novelist He wrote tales and poems of British soldiers in India and stories for children He is regarded as a major innovator in the art of the short story his children's books are classics of children's literature

Keep Sweet Children Of Polygamy Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Keep Sweet Children Of Polygamy PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that

while accessing free Keep Sweet Children Of Polygamy PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Keep Sweet Children Of Polygamy free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
