your awareness of narcissism and other personality disorders and increase your discernment so that you are prepared for their manipulative attacks I formulated 35 Survival Tactics based on my life experiences with toxic parents and relatives that have aided in my self healing journey This book will also be useful for those religious persons who have had religion misused to support their abusers The pivotal point in my life was reading the complete Bible for myself and the realization that God had given both parents and children commandments to abide by We are taught as young children in church to submit to our parents but those parents are ones who are honorable respectable and emotionally spiritually mature Toxic parents are exempt from this category of parents and are not owed the same loyalty Disobedience to one s parents is another stigma that has to be challenged You are entitled to set boundaries with your toxic parents and stand up for yourself when facing abuse It will save your life My book was an act of faith and confirmation of God s purpose and mission for my life This was an extremely difficult task to sit recall and reflect on the emotional abuse inflicted on me from childhood to adulthood at the hands of the people I loved the most I never had the courage to share my experiences as they were happening but I realized that my healing came from sharing my experiences My journey to self healing led me to the place I am now God placed it on my heart to share my story of redemption in hopes that it would be an inspiration to those in similar circumstances I want readers to know that fear of isolation or loneliness is no justification to stay in a toxic relationship Not everyone you lose is a loss There is newfound freedom in unburdening yourself from your abuser Embrace this transformation *The Color of Love* Raymond Quattlebaum,2018-03-16 Celebrate the beauty that surrounds you when you open my book My first book is called Poetry In Motion My 2nd book is called The Color Of Love Poetry In Motion is definitely The Color Of Love The Color Of Love is evidently Poetry In Motion transforming itself into the color of life An everlasting rotation of indescribable beauty the true essence of God his testament to life Life is the essence of who we are We must PUSH Because in life you never know how far you can go until you PUSH Life is a constant PUSH we all must PUSH because movement is the essence of life My book will inspire the reader to read more as you turn the pages inspired about whats coming next My book talks about the chapters of life in its unique form The coloration in life is Poetry In Motion You will understand poetry from another point of view the author A lot of times in life its not what you read its how good the book is you have read where it takes you How did it make you feel did you get anything from it My book will do a series of things as of poetry My book will take the reader to another place in time but bound to bring them back from an adventurous journey safe and sound anticipating more as you read to the very end So Please Enjoy my Book **Words Of Unspoken Expressions** Nicole Vincent,2015-02-25 My book is a book of poetry thoughts and a vehicle to express myself It is non fictional and solely based upon my own personal experiences in life It is very open and revealing because so many people including family and friends have misunderstood me Words of Unspoken Expressions will allow people to see my personality my strengths my weaknesses my struggles and the fun side of me the sensual side etc The book is to inspire others to express themselves and not be afraid Keywords Open
